# NAAC SELF STUDY REPORT (2<sup>nd</sup> CYCLE)

# **STEERING COMMITTEE**

### **Chair Person**

Dr. C. Periasamy, Principal.

### NAAC Co-ordinator

Mr. S. SUNDARAM, Associate Professor & Head, Department of Physics

### Advisory Committee

- 1. Dr. S. Murthy, Associate Professor & Head, Department of Mathematics.
- 2. Dr. N. Palanivelu, Associate Professor & Head, Department of Tamil.
- 3. Dr. D. Manimegalai, Associate Professor & Head, Department of English.
- 4. Tmt. R. Sagunthala, Associate Professor & Head, Department of Zoology.
- 5. Dr. I. Selvaseelan, Associate Professor & Head, Department of History.

### Working Members

- 1. Dr. G. Balasubramanian, Associate Professor, Department of Mathematics.
- 2. Tmt. K. Jeeva, Associate Professor, Department of English.
- 3. Dr. T. Govindarajalu, Associate Professor, Department of Tamil.
- 4. Mr. V. Vijendiran, Associate Professor, Department of Tamil.
- 5. Dr. P.R. Bhalaji, Associate Professor & Head, Department of Chemistry.
- 6. Dr. S.M. Krishnan, Asst. Professor & Head, Department of Commerce.
- 7. Mr. D. Raja, Asst. Professor & Head, Department of Computer Science.
- 8. Dr. O. Sivapriya, Asst. Professor, Department of Micro Biology.
- 9. Mr. Munusamy, Asst. Professor & Head, Department of Botany.

# **Internal Quality Assurance Cell**

Mr. S. SUNDARAM, Associate Professor & Head, Department of Physics

### **Documentation Committee**

- 1. Mr. M. Gladson Jose, Associate Professor, Department of English
- 2. Tmt. D. Celine, Asst. Professor, Department of Computer Science.
- 3. Tmt. Kanthammal, Typist.

# Preface

Government Arts college (Men), Krishnagiri is a renowned educational institution with a long tradition and stupendous achievements. It provides a salubrious and inspiring atmosphere to every eager aspirant who wishes to pursue any course of study to achieve upper mobility in the society with sound career at hand. Many an influential person found at Krishnagiri are mostly the alumnae of this college.

It disseminates quality education with time-tested values to whoever come to its fold like a citadel of an ever-shining monarch. Ever since its inception, the college has been fashioned and fortified to produce many a number of success personalities, impeccable scholars, radiant – tycoons and notable statesmen. In short, it is a boon to the under privileged and down-trodden of this locality.

Situated at a strategic position on the Krishnagiri-Chennai highway, 6 km from the heart of Krishnagiri town, it serves tirelessly to the backward community like a beacon light. It was founded in 1964 with a main objective to uplift the people of Krishnagiri whose chief occupation was to till the field and reap the corns not knowing much about the fruits of education and social progress.

Hon'ble Chief Minister of Tamil Nadu His Highness M. Bakthavachalam laid the foundation stone and it had its beginning with only four courses. In 1965, the degree courses; B.A Tamil, B.A History and B.Sc Maths were offered. With the munificent help of the donors such as; big shots, traders and the affluent people of this area, a new building was built for the college in 1970. In the academic year 1971-72, B.A English and B.Sc Zoology were started. In the very next academic year B.Sc Botany was introduced. In the academic year 1976-77, semester system was introduced. Two years after B.Sc Physics was introduced. With the introduction of P.G Botany and P.G Mathematics in 1980-81, the college was upgraded as senior grade Arts College.

With the commencement of M.Phil (Botany), the college was recognized as the Research Institution by Madras University in the academic year 1984-85. In two years, the part time M.Phil (Botany) course was converted into a full time course. In the academic year 1990-91 B.Sc Chemistry was introduced. In the same academic year the college was affiliated to Periyar University as it came under the jurisdiction of the same.

In the very next year B.Sc Chemistry was introduced. After ten years, B.Sc Computer Science was introduced. In the academic year 2003-2004, under self-financing programme the following courses were started; B.B.A., B.Com., B.Litt (Tamil, B.Sc (Microbiology), B.Sc (Chemistry), M.Phil (Tamil) Full time/ Part time and Ph.D (Tamil) Full time/ Part time. However, these so-called self-financing courses were absorbed into the regular stream in the academic year 2005-06.

In the first cycle, the college was accredited by the NAAC with the credit of C++ in Feb 2005. In the academic year 2007-08, shift system was introduced in the college by the State Government of Tamil Nadu. Accordingly, degree courses such as ; B.Sc Chemistry, B.Sc Computer Science, B.Com, B.B.A and B.litt (Tamil) were started.

In the academic year 2003-04, Computer Literacy Programme (CLP) was made compulsory to all non-computer major degree students.

In the academic year 2008-09, Arignar Anna Centenary block was constructed. In the same academic year Language Lab for English Department and a new Laboratory for Chemistry Department were set up. The Choice Based Credit System was introduced in the very same year as well. In the academic year 2010-11 onwards, M.Phil (Full time), Ph.D (Full time) in Mathematics has been launched.

To the sole benefit of the aspirants of the locality, M.A English Literature, M.A. Tamil Literature, M.A. History, M.Sc Chemistry and M.Sc Computer Science have been started since 2012-13.

The introduction of B.A. Economics, M.Sc Physics, M.Sc Zoology, the Part time / Full time M.Phil in Zoology took place in the academic year 2013-14.

The new courses that gained entry in the academic year 2014-15 were M.Phil programme (Part time / Full time) in English and Physics.

As such, the college offers 14 under graduate programmes and 9 Post Graduate programmes. Seven departments offer both part-time and full-time M.Phil and Ph.D programmes.

The college strives to achieve the overall development of the students whoever obligingly keep pace with the ideological, philosophical, educational studies of the institution. It aims at the multi-faceted growth of the students. Besides achieving academic objectives, the institution indomitably endeavours to shape the characters of the students which arc undisputably essential for the sustained growth of every individual. Gokhale stresses its great significance and valued it on par with other academic achievements.

# **EXECUTIVE SUMMARY**

The college with the team of its erudite faculty members has made an unflinching commitment to edify, enrich and nurture aspirants whoever eagerly come to its fold and also shape their characters and vitalize their mental calibre so that they could build sound careers to realize their own covetous goals of life and to befit them to uphold the social objectives and to prove themselves be the worthy citizens of the nation. Its efforts arc irrepressible and it's progress is unrelenting. The II cycle of accreditation is an occasion that demands the college to look back its past achievements and in this Juncture, it is required to review its various plans, educational strategies and flawless executions of various deliberations taken periodically. The college hereby makes a self study so as to evaluate it's long journey over the past ten years through the groves of educational achievements under the seven prescribed criteria to showcase it's cherishing aspects.

# 1. Curricular aspects

The College is not vested with any power to design and frame the curricula of its own. The university concerned (PERIYAR UNIVERSITY) only provides the curricular frame work and the college's sole duty is to execute the same with vigour and power so that its cherished ideologies and speculative thoughts will be translated into reality. The syllabus that is formulated with a view to fruitify the curricular objectives will be periodically revised and revamped so as to meet the growing need of the society and its global challenges. The University sets up the board of studies for every subject that consists of subject experts, excellent scholars and eminent educationalists. The board examines all the factors pertaining to the subject especially the ever-changing the world scenario, current advancements, innovations etc., to form the syllabus for the next three years of time. The bounden duty of the college is to facilitate the staff and the students and also helps them immensely to realize the pre-mediated ends of the University designed for the upliftment of the society. The choice based credit system (CBCS) is the new currency that gains much benefit to the students on its role. Apart from this, the college conducts many-a-number of programmes to ensure the overall development of the students. The programme that which gird up the students and

boost their talents are; soft-skills training, communication skills, personality development, interview techniques etc.,

# 2. Teaching-learning and evaluation

After the intake of the students through fair means the faculty members throw themselves into the process of teaching. Well established and systematized teaching methods are adopted to impart education to the students. Keeping in mind the unpromising back ground of the freshers, bridge courses are conducted to rebrush their memories.

As soon as the ground is clear for academic course of learning, the teaching faculties adopt all the possible ways to stuff the students with first hand subject knowledge which are generally skill-oriented.

ICT facility is potentially used to train the students to acquire practical skill and acumen. All the departments are supplied with data-card to have easy access to internet facility. The teaching staff are duly recharged with facilities such as; orientation programmes, refresher courses, seminars, workshops and other training programmes. Library with plenty of books and well equipped laboratories act as the potential source of knowledge for both the teaching faculty and students. The low achievers and the first generation poor performers are given remedial coaching to cope with their studies and to achieve success in academic pursuits. To provide individual care and sustained mending to the students, a tutorial system has been introduced. This greatly helps to increase the percentage of attendance and has considerably reduced the dropout rate.

Evaluation is the integral part of teaching – learning process. The college has taken all necessary measures to evaluate the students internally and externally. The periodic conduct of tests and the model exams have steadily increased the confidence of the students and the output has become enormous. There are special cells to attend the grievance of the students and make them get along with others amiably.

# 3. Research Consultancy and Extensions:

Research, creativity and extended acumen are the higher dimensions of educational prospects. No nation can flourish without research-oriented programmes and scientifically tempered outlooks. More research work ensures more growth. The college has seven research departments that have so far produced many-a-number of research scholars. Several research projects have been carried out on advanced topics and matter of great social concern. The

seminars, workshops and conferences conducted in the college foster research aptitude and manure progressive thoughts.

| Number of major and minor research projects | :7    |
|---|-------|
| Publications of books                       | : 66  |
| Publication of research papers              | : 588 |
| Number of seminar conducted                 | :6    |
| Number of workshops conducted               | : 1   |

The extension programmes such as NSS, YRC, RRC, SSL, KAVIN KALAI MANDRAM and Fine Arts Club are bound to influence students positively and bring out admirable changes in them. They act as the complementary programmes to fulfill the essential aspects of the academic pursuits. Other than supporting multi dimensional growth of the students, these programmes inculcate lasting values in the mind of the students.

# 4. Infrastructure and Learning Resources

The college is robustly structured with adequate infrastructure and learning resources. It consists of spacious and well-furnished class-rooms, laboratories and staff-rooms. Part of the campus is duly connected with wi-fi facility. Besides the general library, every department is provided with a department library for the particular use of the staff and the students. Very costly and rare books are found in these libraries. LCD Projectors and OHPs are profusely used to impart education to students. Every department is provided with internet facility that enable the staff to up to date their knowledge on par with the international counterparts. The smart class-rooms has been introduced to the Computer department and in a short span of time this facility will be extended to all the other class-rooms.

The college is provided with a seminar hall wherein all the academic enriching programmes are conducted. It is always filled with incessant activities. There is a health care centre near the college. And the ambulance service is available at the beck and call.

# 5. Student support services

Most of the students are coming from the rural background as well as educationally poor quarters of the society. They are desperately in need of high level Student support services. One of the prominent staff acts as a coordinator to all kinds of student support programmes. Scholarship benefits are there for the students who suffer silently the financial crunch. The special coaching classes are conducted for the poor performers. Coaching classes for UGC, NET/SET examinations are conducted with proper study materials. The visually impaired students are provided with scribers and the ramps have been set up at every block for the differently abled students. A senior most staff is entrusted with the job of conducting curricular, co- curricular and extra- curricular activities. Students are invariably boosted up to participate potentially all the state-level and national level competitions. A canteen facility is available in the campus with rich and hygienic food materials. A teaching staff in-charge of the sports and games spins round the college premises and coaches the students with might and force. As a result, a series of winnings have been bagged to adorn the college. An alumnae association is functioning in the college that serves as the pillaring support to the growth of the institution. The annual alumnae meet always brings out with high-level innovative thoughts to make the college reach higher-level in terms of teaching-learning process. It also helps to foster dynamic leadership qualities among students, communal harmony, forward thinking etc. The student support service in the college has brought out a palpable and commendable change in the college.

# 6. Governance, Leadership and Management

The dynamic leader is a person who can make even a servile laggard a stupendous scholar. The well-defined governing body of the college called the college governing council with its scintillating activities has brought out immense change in the college. Hence, a phenomenal growth can be witnessed in all the spheres such as; academic excellence, financial management, personal management, office administration etc. The vision and mission of the college can be easily realized as the principal in the helm of affairs could motivate mobilize and persuade every staff to do his / her best to the undeterred progress of the institution. The heads of all the departments collectively contribute a great deal of works and render all kinds of cooperation to the principal so as to translate the idealistic vision and the mission of the college into a stark reality.

The college governing council is vested with the power to take all the decisions pertaining to the matter of academic interest, students' welfare, administration, admission, discipline and financial matters. The present set-up with its electronic facilities paves a clear-cut way to the future e-governance.

The Internal Quality Assurance is properly managed by the IQAC committee of the college. The welfare of the staff and the students are duly cared for. The Teachers Recruitment Board, one of the governmental agencies is responsible for recruiting new staff. However, the freshers are given orientations to enable them to imbibe the fruitful values and ideals of collegiate education. Apart from the governmental faculty enrichment programmes, the college too arranges abundance of programmes such as; seminars, workshops, and training programmes to inculcate deep-rooted social, cultural and ethical values in the minds of the teaching faculties. The empowered teachers in turn empower the students' community to bring about a great social upliftment.

# 7. Innovations and Best Practices

Where there is commitment and sustained efforts, there is growth and achievements. The college strives to bring forth innovative methods in the field of education and administration. For, the educational goals can be reached with the help of sound administration. Many of the faculty members have evolved innovative methods to make their teaching effective. But, they haven't been patterned to be used by others. The staff has inspired the students to bring out ideas for new project works so as to build India a mighty nation.

Preparing question banks for the use of students is one of the best practices followed in the college. This system makes the students familiar with the University question patterns and subsequently raises their confidence-level considerably. Coaching the students with a set of question banks has yielded fruitful results.

The dress-code and the issuing of ID cards are the other practices that have helped the smooth and flawless function of the institution. The dress-code has brought about decency and decorum amidst the students. Keeping ID cards during University examinations is made mandatory. This system has remarkably helped the institution to stop impersonation and examination jockies.

The green audit is one of the best practices that the college has implemented to reduce the consumption of energy and to create awareness among the students so that they may follow the same in their house holds as well.

All these practices and the whole-hearted devotion of the teaching faculties have contributed enormously to the harmonious development of the young students who pursue higher education in this enshrined educational institution.

|          |             | History                 | 50                          |
|          | M.Phil      | English                 | 5                           |
|          |             | History                 | 14                          |
|          |             | Commerce                | 276                         |
| Commerce | UG          | Business Administration | 252                         |

# 16. Are there any UG and PG programs offered by the College, which are not recognized by the UGC? Give details.

|                                      | Nil |  |
|--------------------------------------|-----|--|
| 17. Number of Programs offered under |     |  |
| a. Annual system                     |     |  |
| b. Semester system                   | 30  |  |
| c. Trisemester system                |     |  |
| 18. Number of Programmes with        |     |  |
| a. Choice based credit system        | 30  |  |
| b. Inter/multidisciplinary approach  |     |  |
| c. Trisemester system                |     |  |

# **19. Unit Cost of Education**

(*Unit Cost* = *Total annual recurring expenditure (actual) divided by total number of students enrolled*)

| (a) Including the salary component = Rs. |  |
|--|--|
|  |  |

| 19,021/- |
|----------|
| 19,379/- |

- (b) Excluding the salary component = Rs.
- **20.** Does the college have a department of Teacher Education offering NCTE recognized degree programmes in Education?

| YES |              |
|-----|--------------|
| NO  | $\checkmark$ |

If Yes

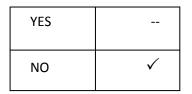

a) How many years of standing does the department have? : NA

b) NCTE recognition details (if applicable)

Notification No.: NA

Date : NA

c) Is the department opting for assessment and accreditation separately

**21.** Does the College have a teaching department of Physical Education offering NCTE recognized degree programmes in Physical Education?

If Yes

a. How many years of standing does the department have? : NA

b. NCTE recognition details (if applicable)

Notification No. : NA

Date : NA

c. Is the department opting for assessment and accreditation separately

| YES |              |
|-----|--------------|
| NO  | $\checkmark$ |

# 22. Whether the college is offering professional Programme?

| YES |              |
|-----|--------------|
| NO  | $\checkmark$ |

If yes, please enclose approval / recognition details issued by the statutory body governing the programme.

# 23. Has the College been reviewed by any regulatory authority? If so, furnish the copy of the report and action taken there upon.

# Reviewed by NAAC for I - cycle in Feb – 2005.

# 2. CRITERIA-WISE INPUTS

# **CRITERION I: CURRICULAR ASPECTS**

**1.1 Curriculum Design and Development** 

# 1.1.1 Vision and Mission Reflection

# Goal :

To uplift the down-trodden by means of education.

# Vision :

To provide progressive education that blends traditional values with modern ideas and to motivate and cultivate intellectually enlightened, morally upright, socially committed, emotionally balanced, spiritually enshrined and thoughtfully harmonious young men and women to meet the challenges of the present and future.

# Mission :

Endeavours to provide opportunities for the economically, socially, culturally downtrodden lots – women in particular to attain freedom of mind, mental discipline, intellectual potentiality, firm conviction, and employability.

The curriculum designed for the edification of the students of this institution is life – oriented, speculatively rich, distempered with higher ideals, pedagogically pragmatic and tinged with deep-rooted cultural values. It has been thoughtfully planned so that it can enable the younger generation to overcome various challenges, threats, obstacles and hardships that lay on the path of success. The curriculum offers multifarious avenues for the aspirants to choose and flourish and also enables them to bag success in their educational enterprises.

The university has constituted board of studies for every subject. Its sheer duty is to frame syllabus based on the curriculum. The board comprises subject experts, observers from other universities and erudite educationists. The Internal Quality Assurance Cell (IQAC) and the college governing council constantly observes how the contents of the syllabus are passed on to the students effectively through the teaching process.

The syllabus for each subject consists of two language papers such as; Part-I Tamil, Part-II-English (General) and part III core papers cum Allieds. The VI semester of the UG courses contain practical papers except B.A. Tamil, B.A History and B.A Economics. The Choice Based Credit System (CBCS) is followed in the college. This system offers interdisciplinary subjects for study that means students may opt non major elective papers. There are elective papers both for UG and PG courses. To provide the students, moralistic and ethical outlook, papers on value education have been introduced. This aims at producing the well developed and wholesome young students who could ameliorate the society with their education and remarkable values. The very popular value based elective papers are; Human Rights, Mushroom Culture, Herbal Botany, Feminist Writing, Media Writing etc.

The extension programmes that have a smooth run in the institution are, National Service Scheme (NSS), Youth Red Cross (YRC) and Red Ribbon Society. These programmes make much impact upon the students and inculcate social and moral values in them.

# 1.1.2 Mechanisms in Design and Development of Curriculum

The curriculum generally reflects the vision and mission of the national ideals and policies. However, it needs to promote the society around it and must strive to put it on the path of achievements and self-sufficiency in terms of intellectual resource, scientific temperament, innovative spirit, ultimate harmony, employability and contentment. Therefore, it sets a board of studies that comprises celebrated subject exponents, stalwarts of various fields, highly experienced educationists and statesmen from this locality. The team makes an intensive study upon the factors that influence the better curriculum and design it for the collegiate use. And the factors that further strengthen the curriculum and make it beneficial are the various programs such as seminars, workshops, conferences and other reinforcing events that the college conducts with a aim to reach the ultimate pre-mediated success.

# 1.1.3 Involvement of Industry, Research Bodies and Civil Society

Renowned industrialists, statesmen like social promoters, research-oriented exponents of various fields and the senior civil authorities are involved in the development of curriculum. The team under the ablest convenor nominated by the university works judiciously for the design of curriculum of great excellence.

# **1.1.4 Aspects of Curriculum Design and Development**

# Employability

The design of the curriculum has been done with forethought that of creating ample job opportunities to the aspirants whoever under go any of the studies in this curricular frame work. Furthermore, the post graduate programmes have been designed to enrich the students to face competitive exams.

# Innovation

The teacher recruited in the college is highly experienced and scholarly. The training programme and other subject-oriented exposures given to them periodically induce them to cultivate the tendency that of bring out innovative methods in terms of teaching.

### Research

No country will ascend high in science and technology if it lacks proper research programmes. Hence, a project work has been made mandatory to all the P.G. programmes so as to instill in their minds of the students the significance of research-enterprise and the innovative bend of mind. In this regard, a lot of seminars workshops and training programmes have been conducted in the college.

# 1.1.5 Curriculum Development and relevance

The every aspects of the curriculum in effect has much relevance to the advancement of the society. The taughts bring forth abundance of research papers and after the completion of the course they occupy prestigious positions in the public and private sectors. The standard of life in the locality has been greatly improved.

# 1.1.6 Adherence to the Guidelines of the Regulatory Bodies

The overall structure and the various components of the curriculum strictly adhere to the guidelines prescribed by the regulatory bodies constituted by the university.

# **1.2 Academic Flexibility**

# 1.2.1 Provisions with Reference to Academic Flexibility

| Under Graduate Courses   | - | 14 |
|--------------------------|---|----|
| Post Graduate Courses    | - | 9  |

# Lateral and Vertical Mobility

The Choice Based Credit System (CBCS) creates an ample platform for the lateral and vertical mobility of every student of the institution. In the matter of choosing non-major elective papers students are given proper guidances. Yet, they are given utmost freedom to choose whatever befits their taste and aptitudes. In this respect, the staff never shows any rigidity or coercion. This freedom of choice and the teacher's contribution and thoughtful motivations enable the students to achieve vertical mobility. Diploma holder can join B.Sc., Mathematics in the second year directly from 2016-2017 onwards.

# **1.2.2 Developing Courses for International Students – Impediments**

No course has been developed so for to cater to the need of the international students. However, there lies a plan to introduce courses with international appeal catering to the demands of Global arena.

# **1.2.3 Dual Degree and Twinning Programmes**

Nil

# **1.2.4 Self-financing Programmes**

Nil

# 1.2.5 Choice Based Credit System

All programmes have been offered under the Choice Based Credit System.

# **1.2.6 Percentage of Programmes**

100% under CBCS.

# **1.2.7 Inter-disciplinary Programmes and Outcomes**

Electives papers have been prescribed to faster inter-disciplinary activities.

# **1.3 Curriculum Enrichment**

# **1.3.1 Frequency of Curriculum Revision**

The whole syllabus for both UG and PG programmes are revised once in three years. The revised syllabus are framed to cite with the social needs and to compact with the international standards. Besides this, it has been set with an aim to create much more employment opportunities.

## **1.3.2** New Programmes in the last four years

## **1.3.3 Revision of Existing Programmes**

Every programme introduced in the college is to attune to the overall objectives of the curriculum. The college also motivates the students to achieve profoundly by introducing many–a-number of training programmes.

## 1.3.4 Value Added Courses

Value Added Courses like yoga, environmental studies, computer literacy programmes, soft skills, communication skills etc., are some of the value added programmes that enrich the students well.

## 1.3.5 Higher Order Skill Development Programmes

To impart higher order skill is the ultimate aim of the career guidance and placement cell. It pains taking by conducts training programmes such as; soft skills communication skills, interview techniques and personality development.

## 1.4 Feedback System

## **1.4.1** Feedback Mechanism and its Impact

## Feedback from Students

Feedback is one of the encoraging measures that help one move towards perfection. Every year feed backs are collected from the students by the HODs. After analyzing them studiously the head of every department gives suggestions to his/her subordinates to carry out their teaching process effectively.

## 1.4.2 Feedback from National and International Faculty

At the time of national seminars feedback have been obtained from the resource persons of nearby states. Many-a-feedbacks have rendered us profound moral supports.

## 1.4.3 Feedback from Employers, Industry Experts and Community

Exponents of various fields have given remarkable feedbacks about the performance of the college. Some of the notable industrialists also have made valuable comments on the admirable performance of the institution.

## **1.4.4 Quality Sustenance and Enhancement**

The board of studies set up every year revises the syllabus and examines the various aspects of its curricular frame work. A special committee is generally constituted to audit the quality of education imparted in the college apart from the keen monitoring of the IQAC. Various content and language enrichment programmes further sustain the quality of the teaching–learning process.

# **CRITERION II: TEACHING – LEARNING AND EVALUATION**

## 2.1. Student Enrolment and Profile

## 2.1.1. Publicity and Transparency in Admission Process

All the admission related works are being carried out in accordance with the guidelines and directions given by the Govt. of Tamilnadu through the Directorate of Collegiate Education. As per the prescribed norms, an admission committee consisting of the principal, two senior staff and two representative teaching staff to look after the welfare of the SC and ST students has been constituted to look after admission works. This committee will both carry out and monitor all the activities of the admission process.

This committee is entitled to prepare both the prospectus and application forms. The prospectus embodies all curricular details including University Academic plans and its various programmes. The issue of the application for both U.G and P.G programmes begins a few days before the publication of HSc and U.G. results respectively and it lasts for another 10 working days from the publication of results. To make the publicity effective, the details of the admission programme are published in all the leading news papers through the P.R.O of the District Collector. The College display Flex board at the entrance bears the same duly. Admission process is absolutely transparent and admission is done through single window system. On the receipt of the filled in applications, the process of computerized ranking begins. The print copies of the rank list on the basis of their cut off marks are displayed on the notice board for public view. Separate rank list for boys and girls are displayed. Any public query regarding the selection of candidates will be attended to by the Principal. Selection of candidates is done only by adhering to the governmental norms and the merit of the Candidates.

Admission is fairly done by means of counselling. If vacancies arise second counselling is also conducted. However, the date of the final counselling will be announced by the University concerned (Periyar University).

At the time of counselling, proper suggestions and guidance are rendered to the candidates to select courses suitable to their aptitude and interest.

Separate dates are fixed for the counselling of science, arts and language subjects. The counselling dates are fixed by the admission committee to make it convenient for the candidates.

# 2.1.2. Process of Admission:

## **Undergraduate Programme**

After the last day for the receipt of the filled in applications, the received applications are categorized on the basis of the choice of subjects; science or arts or languages mentioned by the candidates. In the admission hall students are called according to their ranks. They can select subject of their own intrest. At the time of admission, the selected candidates must appear before the admission committee and produce their original certificates such as T.C, Mark Statements and Community certificates for verification.

However, admission will stand secured on the payment of due fees only. Two more counsellings will be conducted if vacancies arise. Admission comes to an end after the last counselling date announced by the University.

## **Post graduate Programmes:**

The above mentioned procedure is observed in the admission of P.G. programmes as well.

## M.Phil and Ph.D programmes:

The college strictly follows the guidelines of the University concerned (Periyar University) for the admission of M.Phil and Ph.D Programmes as well.

The issue of applications last for ten working days after the release of the P.G. results. The last date of receiving the filled in applications will be fixed by the University. The eligible candidates are required to appear for an entrance test. The selection of the candidates will be made on the basis of their academic merit and the marks obtained in the entrance. The provisional selection of the candidates for M.Phil and Ph.D programmes will be announced after the approval given by the University only. PhD admissions are done twice in an academic year viz July and January.

## 2.1.3. Admission Review Mechanism

This mechanism enables the admission committee to have a clear picture of the admissions done in every department. First of all, the Committee ensures whether the admissions have been done according to governmental norms. In case, mistakes are traced out, they will be rectified at once. 20% seats of the English department has been increased as there is a high demand for the course.

## 2.1.4 Strategies Adopted for access to Students.

Reservation policy is strictly observed in the matter of admission. Applications are issued to SC/ST students without fee. The allotment of seats to various category of candidates in accordance with the reservation policy are OC- 31%, BC-26.5%, BC(M)d.5%, MBC-20%, SC-15%, SC(A)-3% ST-1%, DR(differently able) 3%, Sports / Games – 3%.

## 2.1.5 Number of students admitted (UG)

| Academic year | 201  | 11-12  | 201  | 12-13  | 201  | 13-14  | 201  | 14-15  | 201  | 15-16  |
|---------------|------|--------|------|--------|------|--------|------|--------|------|--------|
| Categories    | Male | Female |
| SC            | 152  | 90     | 154  | 101    | 173  | 102    | 179  | 112    | 170  | 98     |
| ST            | 12   | 1      | 11   | 4      | 14   | 2      | 7    | 4      | 11   | 6      |
| OBC           | 411  | 173    | 455  | 211    | 478  | 152    | 534  | 276    | 518  | 281    |
| GENERAL       |      |        |      |        | 1    |        |      |        |      | 1      |
| OTHERS        |      |        |      |        |      |        |      |        |      |        |

## 2.1.6. Necessary Measures to cope with Increased Demand.

If the Committee comes to know that there is a great demand for any of the courses, it may recommend to the Principal to obtain more seats from the University. A few years back, there was a huge demand for English literature. The Principal approached the University and obtained permission to increase 20% of seats.

## 2.1.7. Suspension of a Programme

NIL

## **2.2. Catering to Student Diversity.**

## 2.2.1 Orientation for Freshers.

As per the academic programme, the freshers are given adequate orientation as soon as the commencement of classes, this programme is generally designed by the head of the department and conducted by the senior staff members. The main objective of the programme is to make the young students get on with the college atmosphere and make them to adhere to the rules and regulations. The points focused on are;

- Vision and mission of the institutions
- Objectives and goals for realization
- > Values and ethics are followed to form better future
- > Code of conduct and other disciplinary aspects
- ➢ Regularity
- Leave procedures
- Day-order system
- > Curricular, Co-curricular and extracurricular activities
- Evaluation strategy
- Recreation for students
- Various scholarships
- > Exam fee and Exam tentative schedules.

## 2.2.2. Mechanism for Differential Requirements.

The head and senior staff member will interact with the fresher individually which will reveal the knowledge, potentiality and acumen of the students. This will certainly enable the staff to identify the weakness and short comings of the students and the same will be rectified in the course of time.

## 2.2.3 Remedial Coaching:

The low achievers are given special remedial coachings. The experienced senior staff are entrusted to conduct such coaching classes to equip the students well to face the University examinations fearlessly. Classes are conducted after the regular college hours. U.G.C and state Government are funding generously for the conduct of such classes.

## 2.2.4 Study on incremental academic growth.

A study has been made systematically to assess the incremental academic growth of various categories of students. Majority of the students of this institution is from socially and economically depressed communities. They do not have proper educational and monetary support from their parents.

These students are monitored periodically and their incremental growth is recorded. The teachers fashion their teaching methods according to their requirements. They are given thoughtful and useful counselling so that they may cope with their studies well.

## 2.2.5 Learning needs of advanced learners.

Students with high competency are given more and more opportunities to sharpen their mental ability and enable them to explore new horizon of thoughts and the world of innovations. An art association in the Institution named "Kavin Kalai" has conducted innumerable training programmes, seminars, workshops etc. Professors who have got training from 'Infosys' have trained many of potential students and some of them have secured prestigious positions in Institutions like "Infosys" and "Wipro".

## 2.2.6 Catering to Differently abled students.

Visually challenged students are provided with Scribe-assistance during University examinations.

## 2.3 Teaching-Learning Process.

## 2.3.1 Teaching, Learning and Evaluation

Teachers plan well to accomplish their teachings with a tinge of forethought. The teaching aids used for this purpose are; OHP, L.C.D Projector, Power point presentation etc. Every teacher prepares his/her scheme of lesson individually. Students are evaluated periodically and low achievers are strengthened with special coaching. Apart from monthly tests, model examinations are conducted as well.

## 2.3.2. Course outline and course schedule.

To start with, the course outline and its general and specific objectives are briefed to the students. Course schedule is usually prepared by the H.O.Ds with the help of senior staff. To

a great extent, the H.O.Ds are keen in monitoring whether the teachers discharge their duties according to the plan.

## 2.3.3 Other Methods of Learning

Lecture method is invariably used in all the classes. The methods or techniques that facilitate quick and better learning are: creative assignments, laboratory works, tutorial system, group discussions, seminars, workshops, field trips, Language Laboratories, counselling etc.,

## 2.3.4 Student-Centric Learning

To draw out the potentialities of the students, they are profoundly involved in most of the teaching – learning process. They conduct seminars, workshops, compile magazine works, actively interact with resource persons from other Universities. They are allowed to evaluate their own peers and they give constructive feed backs about their performances. Students are encouraged to participate competitions of any kind within the state.

## 2.3.5 Policy on inviting Academic Experts.

Department heads have their own freedom to bring academically well versed resource persons to inspire the students. Listening to such exponents enlarge the horizon of their knowledge and broaden their outlook and understanding.

## 2.3.6. Technology and Effective Teaching

- All the departments enjoy the facilities such as; Computer, Internet, Printer, OHP and LCD Projector.
- > The Computer department is provided with a smart class and an interactive board.
- English department is equipped with Language lab that contains a lot of language enriching CDs and D.V.Ds.
- > A digital Library facility and other online materials for core subjects are also available.

## 2.3.7. Provision for the Serious of Counselors / mentors / advisors.

Tutorial system is effectively functioning in the college. Every class has its own tutor. The various duties of the tutors are ;

- > To monitor the programme of the students.
- > To help the student get over his/her obstacles and improve his/her performance.

- > To keep the students well –disciplined and retract the defaulters.
- > To attend to their genuine grievances and find out remedies.
- > To encourage Students to be regular and punctual.
- To a great extent, the tutor's sole duty is to look after the welfare of the students in all the possible ways.

The H.O.D and the highly experienced senior staff of every department act as counselors / mentors / advisors. They counsel the students whenever they go wrong and set them right. If necessary, the mentor may meet the parents of the distracted student and try to churn out solutions for his normal course of academic growth.

## 2.3.8. Innovation in Teaching

Educational Hi-tech aids such as smart class and Field trips etc., are duly used to achieve innovations in the subject concerned. A panel consisting of three students, to evaluate the oratorical performance of the peer students and to give constructive feed backs for their improvements under the supervision of a teacher is one of the innovative techniques used in the English department.

## 2.3.9. Creativity and Scientific temper

The college is committed to foster creativity and scientific temper in the minds of young students. Students have been given many a opportunities through seminars, workshops, laboratory works and magazine works to inculcate workmanship and impetusness in them. In the department of English, some select students have been given the work of designing and artistic presentation in the magazine work, a segment of the practical paper.

## 2.3.10 Student Projects

Project work is the integral part of all P.G. and in some of the UG Programmes. Each faculty member is asked to guide three or four P.G. Students in the fourth semester of the academic programme. The guide teacher trains the scholar properly and prepare him / her soundly to carry out the task of writing a project. The guide's role is indispensible. He/ She must check whether the scholar follows research methodology, project lay out, documentation etc.,

## 2.3.11 Faculty in learning computer-aided teaching

Faculty members are periodically deputed to attend programs on novel and recently emerging technologies. Access to computers, internet and computer-aided packages are available at the department and college level.

## 2.3.12 Evaluation of teaching

In a view to improve the quality teaching, teachers periodically get feed-backs from the students. The department head only examines the feed backs and gives valuable suggestions to the teachers to enhance the quality of their teaching. This further enables the teachers to take utmost effort to use innovative methods in this regard.

## **2.3.13 Curriculum Completion :**

Curriculum is a comprehensive educational programme to achieve certain premeditated goals. The head of the institution gears up the teachers and motivates them properly to execute the pre-planned academic programmes. The frame work of the entire academic programme is given in the college calendar. The principal monitors carefully the accomplishments of various programmes and gets it completed in the stipulated time with a remarkable effect.

## 2.3.14 Teaching-Learning process through Library

The Library functions as a fountain head of all source of knowledge. It meets 85% educational needs of the students. The college has both a general Library and department libraries. The general library keeps some rare and costly books for reference and other for lending. Every year considerable amount of money is allotted for the enrichment of the library. The general library will be open in all working days.

Now-a-days, the librarian has taken some special efforts to enroll all the faculty members and students in the N-list so that they may have the chance to access highly useful and prestigious journals and books.

## 2.3.15 Monitoring mechanism of teaching :

Principal, the head of the institution and the head of departments are entitled to monitor the teaching of the faculty members. In general, the head of each department collects the feedback from the students. After a vivid perusal, he / she brings forth his / her suggestions

to improve the quality of the concerned faculty members. Sometimes, if necessary, direct observation of the teaching – learning process also takes place.

## 2.4. Teaching Quality

## 2.4.1 Faculty Strength

| Sanctioned strength | Filled Position | Faculty from<br>Tamil Nadu | Faculty From<br>Other state |
|---------------------|-----------------|----------------------------|-----------------------------|
| 151                 | 132             | 132                        | NIL                         |

## 2.4.2. Faculty Selection

The selection and the recruitment of teaching staff are done by TRB(Teachers Recruitment

Board). The Criteria followed in the selection of staff are

- 1. Experience
- 2. Qualifying exams like SLET or NET
- 3. Publications
- 4. Research (Ph.D)
- 5. Interview

## **2.4.3 Faculty Details**

| Highest<br>Qualification | Professor |        | Associate<br>Professor |         | Assistant<br>Professor |        | Total |

## 2.4.5 Faculty Diversity

## 2.4.6 Faculty sufficiency

All the departments of the college do not have required number of faculties to handle classes. As per government norms, vacancies are filled with eligible guest lecturers.

## 2.4.7 Visiting Faculty

## **No Visiting Faculty**

## 2.4.8 Faculty Recharge

Seminars / conferences organised by department. Staff members are actively participating in various level outside college. Faculty members are active in publishing this research articles in represented journals and are keen in applying major – minor research project to various finding agencies.

## 2.4.9 Visiting awards and recognition

| S.No. | Name of the Staff            | Name of the Award and Agency        |

## 2.4.12. Faculty Academic Development Programme

Faculty Academic Development Programmes are conducted by both government organizations and private organizations to enrich the knowledge and efficiency of the teaching faculties.

## 2.4.13. Teaching Innovations:

There are teachers who have evolved innovative methods in teaching process. They are not to be mentioned here as they are not recognized publically.

## 2.4.14. Mobility of Faculty

Mobility of teaching faculty is not entertained in the institution as ours is a govt. Arts College. The college has a plan to send its faculty members to countries like U.K through the Cambridge University Voluntary Agency, England that has a tie-up with Tamil Nadu government.

## **2.5 Evaluation Process and Reforms**

## 2.5.1 Stakeholders Awareness on evaluation process

The controller of Examination with the team of his officials carries out the process of evaluation. The evaluation process is strictly and closely monitored possibly by the COE office. It has taken all possible measures to deter any kind of malpractices.

## 2.5.2. Evaluation Reforms

Compulsory pass in internal examinations has been abolished. Outgoing students with two arrears can appear for the supplementary examinations. Whoever interact well in the class are given credit marks, completion of project works in the stipulated time is appreciated with a boost in international marks.

## 2.5.3. Measures for continuous Evaluation and Progressive Improvement

Announced and unannounced oral and written tests, informal quiz, briefing the class room lectures, various assignments and the monthly tests are conducted periodically and systematically. Thus, continuous evaluation is done and the progress of each student is assessed well.

## 2.5.4. Ensuring rigour of the internal assessment process

Every semester, appearing for three tests and submitting two assignments are mandatory to obtain internal marks. Besides this, oral tests, promptness, punctuality etc are taken into account for awarding internal marks. The above said methods of evaluation are applicable both for U.G and P.G courses. However P.G. students are expected to submit at least two seminar papers and content interpretation for 20 minutes.

### 2.5.5. Adherence to Examination Schedule

Both the institutional and University examination schedules are observed strictly lest unforeseen holidays or calamities should mar the system.

## 2.5.6. Declaration and Publication of Examination results

The University has taken special measures in the declaration and publication of examinations. Accordingly, marks entries made on OMR sheets have been abolished. At present, the University has implemented a new system that of making online marks entry in the eve of every day of evaluation by appointing a computer staff. By the advent of this system, within the short span of time, most probably in 10 days the results of all subjects are published, in the University website.

#### 2.5.7. Pre Examination process – Examination process – Post Examination process

The office of C.E.O. of the University looks after the whole examination process. The preexamination process begins with the collection fees, preparation of exam time schedule, preparation and printing of question papers, Examination main sheets, attendance sheets, appointment of invigilators, Additional and Chief Superintendents and other workers. At the beginning of examinations, the University ensures whether it has supplied adequate number of question papers and main sheets. It also inspects the physical arrangements made by the concerned examination centers. The post examination process involves the collection of written papers and attendance sheets. The head of institution or the chief Superintendent is responsible for packing, sealing and sending the written papers to the University.

## 2.5.8. Reforms in Ph.D Evaluation

As per the norms of Periyar University the thesis must be submitted to the University with the letter of approval from the research guide. If the candidate fails to submit the thesis, time extension can be given on requisition and by paying penalty fixed by the University. After

the submission, the thesis will be evaluated by both an internal examiner (with in the country) and an external examiner (foreign examiner). After the proper scrutiny of the reports of the examiners the University may permit the research guide to conduct Viva-voce for his scholar. Besides this process, the research scholar is required to publish an article in any one of the National Journals and another one in an International Journal. This is the reform the University has brought out recently.

## 2.5.9. COE Operation Streamlines.

The COE of Periyar University has streamlined all its operation regarding centralized semester examinations. The tentative examination time schedule and examination fees details are given in the college calendar itself. COE office looks after the works such as; preparing the enrolment of new students, question paper setting, printing, arranging main sheets and additional sheets for examination, preparing attendance sheets, announcement of examination date, collecting internal marks, supply of question papers and other materials for written examination appointing chief and additional examiners, evaluation and announcement of results etc., Nowadays all these examination works have been duly computerized.

## 2.5.10. Evaluation Grievance Redressed

The students who have got fail marks or low marks may feel that their answer scripts are not evaluated properly. To redress the grievance of such students, they keep a system for re-totaling and re-valuation. To keep absolute transparency Periyar University even sends the Xerox copies of the examination scripts to concerned individual. If the result is with held for certain reason, the student may approach the University for redressal with a letter from the concerned department.

## 2.6. Student Performance and Learning Outcomes.

## 2.6.1. Learning outcomes for Programmes

Learning outcomes are measured in terms of examinations and practical in the laboratory. No other specific methods are followed in this respect.

## 2.6.2. Monitoring Learning outcomes

Mainly, stage by stage the learning outcomes of the students are done in the departments. Teachers prepare questionnaires to examine the improvement of various abilities of the students such as; comprehension ability, creativity, reasoning, arithmetic, General Knowledge, current affairs, positive attitude, soft skills, innovative ideas, sociability, forward thinking etc., This measure can assess the periodical development of the students.

## 2.6.3. Collection and analysis of data

The head of the institution collects all the data pertaining to the outcomes of students and analyses them carefully and he/she takes necessary measures to increase the outcomes of the students.

#### **2.6.4 Details of Pass Percentage**

| S.NO | DEPARTMENT    | APPEARED | PASSED | PERCENTAGE |
|------|---------------|----------|--------|------------|
| 1    | TAMIL         | 30       | 21     | 70         |
| 2    | B.Lit         | 44       | 42     | 95.45      |

| 4    | CHEMISTRY     | 22       | 7      | 32         |
| 5    | COMP. SCIENCE | 24       | 22     | 91.67      |
| 6    | HISTORY       | 14       | 12     | 85         |
| 7    | MATHEMATICS   | 20       | 9      | 45         |
| 8    | PHYSICS       | 21       | 19     | 90.47      |
| 9    | ZOOLOGY       | 4        | 3      | 75         |

## **CRITERION III: RESEARCH, CONSULTANCY AND EXTENSION**

## **3.1 Promotion of Research**

## **3.1.1 College Research Committee**

College has a Research Council which consists of Principal and all Heads of both Science and Humanity departments. Faculties who have an aptitude for research are motivated to get funds from funding agencies. The number of projects funded by UGC & TANSHE of Tamil Nadu state government has increased considerably. The number of faculties with Ph.D degree and the number of recognised research guides has increased. The number of articles contributed by faculty is also increased. FIP assistance is also utilized by faculty members.

### **Research Policy**

The College encourages in bringing out new ideas and knowledge in an ethical way and they are disseminated by means of publications.

### **Prioritised Research Areas**

Sangam Literature (Ancient Tamil Literature), Modern Literature, Folk lore and devotional literature, Post Modern American Literature (after 1950), Modern History, Archeology, Stochastic Process, Functional Equation, Geometric Function Theory, Approximation Theory, Crystallography, Nano-Technology, Tissue Culture, Photo Chemistry, Ethno-Botany, Microbiology, Aqua-culture, and Toxicology are some of the thrust areas of research in our college.

## **Proactive Mechanisms to Facilitate Implementation of Research Projects**

Research Scholars including research faculty members who have registered for research are given flexibility and easy access to computers to download the necessary articles. Department library and general library can be made use of by the research scholars. Priority is given to research departments in sharing the funds from funding agencies. Proper audit and utilization report are submitted.

## Visiting Scholars on Campus

Eminent scholars are visiting the campus to conduct seminars and workshops.

## **Research Leave with salary**

## **Students Research projects**

The students are encouraged and guided to apply for the mini projects from the various funding agencies like TANSCHE, CSIR, etc. As the college is a government institution it has no provision to allot amount for the students' projects.

| Name of the<br>Investigators | Department | Funding<br>Agency | Period      | Amount<br>Rs. |
|------------------------------|------------|-------------------|-------------|---------------|
| A. Sivakumar                 | Physics    | TANSCHE           | 2011 - 2012 | 5,000/        |
| R. Muthukumar                |            |                   |             |               |
| V. Sindhumathi               |            |                   |             |               |
| C. Chandrasekar              | Zoology    | TANSCHE           | 2011 - 2012 | 5,000/        |
| D. Sivakumar                 | Botony     | TANSCHE           | 2011 - 2012 | 10,000/       |

## Seed money to Faculty members for research

UGC & TANSCHE - Minor & Major research projects

## Patenting

Patents have not been filed so far. However, an awareness seminar is planned on Intellectual Property Rights to enlighten the students and faculty members on the significance and the process of patenting.

## **3.2.5 Details of research projects**

## **3.2.6 Recognition of Departments for research activity**

Tamil, English, History, Maths, Physics, Botany and Zoology are the recognized departments for their research activities. The quantum of assistance received from the agencies is as follows:

## **3.2.7 Details of Completed research projects**

## i) Major Research Project

| Name of the<br>Investigator | Department | Funding<br>Agency | Period | Amount Rs. |
|-----------------------------|------------|-------------------|--------|------------|
|                             |            | NIL               |        |            |

### ii) Minor Research Project

| Name of the Investigator        | Department   | Funding | Period    | Amount Rs. |
|---------------------------------|--------------|---------|-----------|------------|
|                                 |              | Agency  |           |            |
| Dr. D. Manimegalai,             | English      | UGC     | 2011-2012 | 75,000/-   |
| Head & Associate Professor      |              |         |           |            |
| Dr. V. Nirmala                  | Physics      | UGC     | 2012-2013 | 1,20,000/  |
| Asst. Professor                 |              |         |           |            |
| Dr. V. Velumani                 | Tamil        | UGC     | 2012-2013 | 1,10,000/- |
| Dr. O. Sivapriya                | Microbiology | TANSCHE | 2013-2014 | 1,00,000/- |
| Asst. Professor of Microbiology |              |         |           |            |
| Dr. N. Magesh,                  | Maths        | UGC     | 2012-2014 | 80,000/-   |
| Asst. Professor of Maths        |              |         |           |            |

## **3.3. Research Facilities**

## **3.3.1 Infrastructure facilities for research**

## Efforts to augment Infrastructure requirements

Proposals for the ensuing academic year are asked from the Departments at the end of each academic year i.e. during March. The civil and electrical works requirements are consolidated by the Principal. Then the proposal is sent to the Director of collegiate education. The funds are allocated by DCE and executed by state PWD. For the purchase of Books, Journals, Machineries & Equipments and store items, state funds are allotted by DCE.

## 3.3.2 Information Resource Centre

The college has an information resource centre in the form of general library and department Library with good infrastructural facilities to enable researchers to review the literature and thesis writing.

### **3.3.3 Residential Facilities**

Nil

### **3.3.4 Specialised Research Centre**

Crystal growth and Nano sciences - Lab

### **3.4 Research Publications and Awards**

### 3.4.1 Major Research achievements

### List of Papers Published in Journals

## 1. Mathematics

### List of Publications:

## Dr. S. Murthy

#### 3.6 Extension Activities and Institutional Social Responsibility (ISR)

#### 3.6.1 Sensitising on Institutional Social Responsibility (ISR)

Young faculty members are given the opportunity to serve on the extension programme committee together with the experienced and trained faculty members. Workshops held periodically help the individual to internalise the mission of the college. This enhances their involvement in the extension programmes of the college. Faculty members are encouraged to attend workshops, seminars and conferences organised by universities and NGOs to become more professional in implementing the extension activities of the college. The college strives to instill civic responsibility in the young minds of students through extension programmes and value based courses so that they may be developed into socially responsible citizens.

#### 3.6.2 College-neighborhood network and student engagement

College collaborates with the local service agencies that serve the society, thereby promoting partnership and networking. The students are involved in activities like scribe work, cleaning historical monuments, tutoring rural children, conducting surveys, donating blood and participating in rallies to create awareness on social concerns. The annual seven day NSS camps conducted in selected villages create a healthy rapport between the college and the community. Continuous visits to a particular village strengthen the bond and create space for sustained outreach activities.

#### 3.6.3 Promoting the participation of students and faculty in extension programmes

The contributions of students and faculty in extension activities are adequately recognised and considered for awards. These provisions help to motivate students to participate in these programmes. Faculty members and students involved in extension activities are recommended for NSS special award based on the norms given by the University/National/State.

# 3.6.4 Social surveys, Research and Extension work aimed at empowering the underprivileged

Extension activities give wide exposure to students on societal challenges, environmental issues, learning difficulties and prevailing injustices towards the less privileged and the marginalised. Consequently, they become empathetic and learn to approach issues objectively. These activities widen their horizon and help them to come out of their comfort zone and see the other side of life.

#### 3.6.5 Awards received

| S.No. | Name of the Staff                               | Name of the Award and Agency   |
|-------|---|--|
| 1     | Dr. P. Venkateswaran,                           | Blood donation campaigner, Govt. Of Tamil                                |
|       | Asst. Professor of History                      | Nadu, 01.10.2010   |
| 2     | Dr. M. Venkatesan, Associate professor of Tamil | கதை ஆய்வுச் சுற்று சுடர் விருது –<br>அவ்வைக் கோட்டம், திருவையாறு, தஞ்சை. |
| 3     | Dr T. K. Ravichandran,                          | Best writers award – 2007  |
|       | Asst. Professor of Tamil                        | Neiveli Lignite corporation.   |

#### **3.6.6 Extension activities complementing academic learning experience**

Extension activities pervade all aspects of life in the campus. These programmes expose students to various types of people who are mostly underprivileged. The experience they

gained from social service inculcate the following values and skills in them: Learning to work together Careful use of resources, Understanding one another, Value of the family system, Accepting people as they are, Teaching skills, Cooperation and Enhanced communication skills.

# 3.6.7 Community participation in extension work

In NSS Camps, students work with the Community in infra structural developmental work for the village. Medical and Veterinary camps co-organised at rural sites ensure that the students work together with the community.

# 3.6.8 Mechanisms to track students' involvement

The rigorous requirements for attendance and evaluation help in tracking the students' involvement in the various activities of the college. The student is required to put in 120 hours for NSS and 80 hours for other extension programmes. They are evaluated on the basis of three components namely Participation, Cooperation and Leadership. Only students who have 50% attendance are allowed to compensate the lack during her period of study. If not, the student has to re-register in the extension programme and complete it in order to be eligible for the award of a degree.

#### 3.6.9 Networking with other Institutions for Service

Nil

# **3.7 Collaboration**

#### 3.7.1 Collaboration with International Agencies / Institutions

It is planned by the college to have collaboration with other agencies that impacted the visibility, identity and diversity of activities on the campus in the near future.

#### **3.7.2 Promotion of values**

#### **Curriculum Development**

Experts are invited for Boards of Studies in the departments and they also serve as industrial experts on the Academic Council. Interaction has provided valuable experiences to understand approaches and challenges in curricular reform.

# 4.7.3 MoUs with national and international institutions

NA

3.7.4 Industry interactions

NIL

# **CRITERION IV: INFRASTRUCTURE AND LEARNING RESOURCES**

# 4.1. Physical Facilities:

# 4.1.1. Adequate Availability and Optimal Utilization of Infrastructure

The college is provided with adequate Infrastructure. The college has spacious class rooms, well-equipped laboratories, staff rooms with RO facilities, well-maintained play grounds, Library, toilets, Canteen, Gym etc., Every year, the College office conducts a systematic physical verification to know whether the furniture are in good-condition or not. Damaged and defective items of the furniture are either repaired or replaced with new ones. Two years back the state government supplied ample number of both wooden and steel furniture to the college.

The college is very particular about the optimal utilization of its infrastructure. No kind of misuse in this regard is entertained in the college premises.

# 4.1.2. Creation and Enhancement of Infrastructure:

The college is gridded up to meet the growing needs of the society. For the past six years, new courses have been introduced in the college to balance with the need of the locality. Hence, its need for furniture also increases year by year. The Optimum use of UGC and State government funds are spent on the purchase of furniture and other infrastructures to facilitate the students. But, now-a-days the college takes much efforts in purchasing hi-tech learning aids to students. The college has given proposals under 1 crore 'RUSA' scheme which is a collaborative arrangement by State and Central Governments.

# 4.1.3. Departmental Facilities:

Every department of the college is equipped with a Computer, Printer and Xerox machine. The special feature of each department in the college is that which has a well-computerized cabin for the H.O.D. There are separate rest rooms for men and women staff. Every department contains a department Library that consists of valuable books and some of them are for issue and a few costly and bulky books are for reference.

# 4.1.4 Facilities for the Differently-abled:

Ramps have been formed for the Differently-abled in all the blocks of the college. In the department of History an attached rest-room facility has been provided to the differently-abled staff.

### 4.1.5 Residential Facilities:

The state government has provided the residential facilities to SC/ST, MBC and backward community students outside the college premises. The students are looked after well in such government hostels. However, if at all any problem arises the college administrator will interfere and find out amicable solutions.

#### 4.1.6. Health Related Support services:

The Government Hospital is situated in the heart of the town a five minutes journey from the college. If at all any casualty occurs the afflicted will be rushed to the Hospital immediately for treatment. For quick transportation one can make use of the government ambulances popularly known as 108. Besides this, there would be periodic medical check ups in the college. It is either arranged by private clubs such as Lion's Club, Rotary Clubs, the other local clubs or by college itself. The NSS & YRC units in the college would conduct medical camps such as; eye check up camps, blood-donating camps and AIDS awareness programmes.

#### 4.1.7. Special Facilities for promotion of interest in sports:

The college has generously spent much money on sports and games. A Gym has been setup in the college. Interested students can do their calisthenics in it. In a view to promote sports and games a staff has been specially nominated to help the students. All these facilities have made the students to bag many-a-number of medals and prizes.

### 4.2. Library as a Learning Resource

#### 4.2.1 Role of Library Advisory Committee

Library committee is constituted with the Principal the chairperson of the committee, the librarian and two senior faculty members.

# 4.2.9 Library feedback

Library has not collected the feedback directly from students. Based on the feedback collected by the departments, suggestions have been given to improve the library facility and its services.

### 4.2.10 Infrastructure development

- Installation of one Computer
- Installation of one printer with Xerox
- Subscription of N-List E-Journal and E-Books
- 10 Steel Almarah for Keeping of Books

# 4.2.11 Workshops for better Library usage

The Librarian gives instructions and guidelines then and there for the students, teachers and non-teaching staff of the college for the smooth and trouble free usage of the library resources.

# 4.3. IT Infrastructure:

# 4.3.1. Comprehensive IT Policy

A Comprehensive IT System is established in the College. Every department has been provided with a personal computer (PC), a printer and a data card to have access to Internet. Advanced Softwares (latest versions) are used in the Computers.

| S.No. | Facilities  | Details   |
|-------|---|---|
| 1.    | Number of Systems with Configuration              | 97 in total Core 2, $Duo - 8$ ,   |
|       |   | Core i3 – 82, Core i5 - 07  |
| 2.    | Computer Student Ratio                            | 1:32  |
| 3.    | Dedicated computing facility                      | Dedicated Computer facility for<br>academic purpose can be availed by<br>students between 9 :30 am and 5:30<br>pm in the college premises       |
| 4.    | LAN facilities                                    | LAN facility is provided in the laboratories  |
| 5.    | Wifi facilities                                   |   |
| 6.    | Propriety software /open source<br>Softwares      | Ms – Office, Visual Studio, Windows<br>95, 98, XP, Windows -7 Redhot &<br>Base Linux, Adobe Photoshop,<br>Corel draw, Flash, Antivirus Mc Café, |
| 7.    | Number of nodes/ computers with internet facility | Individual plug –in server / Modem is issued to each Department   |

# **4.3.2** Colleges computing facility

# **4.3.3 Institutional Plans for Upgrading the IT Infrastructure**

- ➤ Technically sound Wi-fi system.
- > Fully automated service through net application.
- > All the departments with ICT system.

# **4.3.4.** Access to Online Resources

The Digital Library facility has been extended to all. Wi-fi connectivity enables the faculty members to have access to e-sources in the main block. Most of the transactions are carried out through on-line only.

# 4.3.5. Details on the ICT enabled classrooms / learning

Two LCDs to each Art and Science wings of the college. A smart class has been attached to CLP Lab. And it functions remarkably.

# 4.3.6. Preparation of Computer aided teaching - learning materials

All the teaching staff are greatly encouraged to prepare computer aided teaching - learning materials. Many of the staff are using the LCD projector for their teaching. For certain lessons, students are provided with soft copies.

# **4.3.7.** Computer Maintenance

Funds are allocated for the maintenance of the computers. Whenever, any computer goes wrong, technicians are called in immediately for its repair.

### 4.3.8 National knowledge Network connectivity

All the staff are the members of the N-list online resource for updating the learning process.

# 4.4. Maintenance of Campus Facilities

### 4.4.1 General maintenance of Buildings, Class rooms and Laboratories

The college is run by the State Government of Tamil Nadu. The maintenance of the whole building including the classrooms, Library, Laboratories and rest rooms is carried out by PWD (The Public works Department).

# 4.4.2 Staff for maintenance for repair

The government service organizations PWD has appointed two staff who are regularly visiting college and look after its maintenance. They immediately attend to all minor works of electricity, plumbing and other civil works.

# **CRITERION V: STUDENT SUPPORT AND PROGRESSION**

# 5.1. Student Mentoring and Support:

### 5.1.1. Independent system for Student Support and Mentoring

The college has an independent system for student support and mentoring. IN every department, there are tutors who take care of the welfare of the students entrusted to them. The activities of each student are mentored constantly and their needs are attended to within the provisions of the college. No student is left uncared of. Whenever they come across any obstacle or shortcoming in their learning process, they could very well contact their respective tutors for solutions. Teachers lend moral and intellectual support to the students at any cost. Any student related problems go beyond the reach of the tutors to solve or it demands the attention of the Principal, it will be soon taken to the knowledge of the Principal.

### 5.1.2. Academic mentoring

Academic mentoring is going on effectively in the college. The teaching process never ends within the classes. It needs further grooming or mentoring. The following are both conventional and innovative in the matter of teaching-learning process;

- Assignments
- Seminars
- > Workshops
- Class test
- Oral test
- Students panel to comment on others performance
- Model Examinations
- Presentations
- Special Classes
- Classes for the low achievers.

### 5.1.3. Personal enhancement schemes:

The college has introduced many-a-number of personal enhancement schemes. It has created a clear ground for the multi-faceted growth of the students. Apart from academic education, the college shows much concern about the over-all development of each student. Some of the personal enhancement schemes are as follows;

- > Department associations for the skill enrichment.
- > Fine Arts club to bring out the innate talents of the students.
  - a) Kavin kalai Mandram
  - b) Nuen kalai Mandram
- Variety of Awareness programmes
- Career guidance and placement cell.
- ➢ Soft skill trainings.

### 5.1.4 Prospectus and Hand book

The college prospectus is issued to the candidates at the time of admissions. It contains all the details of the courses offered in the college. It enables the candidates to select apt courses of study for their career building. The college updates the prospectus every year. Students are not provided with a hand book instead, they are given calendars at the beginning of every year. The calendar offers every necessary information about the college, courses, fees structure, various application forms etc.,

The calendar contains a short profile of the college, details of its inception, its objectives details of its faculty members, curricular and co-curricular programmes, rules and regulations, practices and conventions, festivals, holidays, college functions tentative days of tests and University examinations etc.,

| S.No. | Туре                                | Community | No. of Students | Amount Rs. |
|-------|-------------------------------------|-----------|-----------------|------------|
| 1     | Govt. Scholarship                   | SC / ST   | 678             | 3594582    |
|       |                                     | BC / MBC  | 1399            | 2034231    |
| 2     | TANSCHE Scholarship                 | ALL       | 5               | 20,000     |
| 3     | C. M. Prize                         | NIL       | NIL             | NIL        |
| 4     | UGC Merit Scholarship               | NIL       | NIL             | NIL        |
| 5     | University Merit<br>Scholarship     | NIL       | NIL             | NIL        |
| 6     | UGC single girl child scholarship   | NIL       | NIL             | NIL        |
| 7     | Scholarship for visually challenged | NIL       | NIL             | NIL        |

### **5.1.5 Scholarship for students**

### 5.1.6. Financial Assistance from Government – agencies

The college office never goes slack in the matter of obtaining all the financial assistance to the eligible students from the financial agencies of the government. There are schemes of financial assistance for visually challenged students and single girl child students. The endowment prizes are distributed to the high-achievers in the annual day function of the college.

#### **5.1.7. International Student Cell**

NIL

#### **5.1.8 Support services**

#### For overseas students

No overseas student is studying in the college.

#### For physically challenged / differently abled students

Ramps have been provided for the physically challenged in every block of the college. The Peers/ Classmates take care of them, help them boyh in their conveyance and their studies too. The visually challenged are provided with a scriber at the time of University examinations.

#### For SC / ST / OBC and economically weaker sections

SC / ST students receive government welfare scholarship every year. Besides government scholarship, the other scholarships available are "peasants welfare scholarship", "Masons welfare scholarship", Maniammai scholarship for the down-trodden. Special classes are conducted for SC / ST and OBC students every year. Books and other materials are supplied to students who prepare themselves for NET, SLET and CSIR examinations.

#### Health Centre / Health Insurance

There is no Health Centre in the college. But, medical camps are conducted periodically to set right all kinds of Health related problems. There is a Health-Insurance programme for staff only.

#### Skill development

Soft-skill training programme has been given to all the outgoing students. The Computer Literacy Programme is conducted in the college. It offers to teach basic knowledge and skills

of computer studies to all non-computer major students. The third year graduates have been taught interview technique and the importance of personality traits.

### Performance enhancement for slow learners

The slow learners are given extra-coaching and remedial classes are conducted to uplift them. The Financial Agencies of both the state and the central government provide fund for this purpose. Apart from this, some of the teachers take special classes to enhance the standard of such students.

### **Exposure of students to other Institutions**

Some of the departments have arranged field trips and educational tours. Outgoing students of B.Com degree course have been taken to a renowned industry to gain the direct and practical knowledge about the function of industry.

# Publication of student magazines

Every year the college magazine is published. Students are given ample chance to bring out their in-born talents and artistic skills. More than 85% of the articles and tit-bits are contributed by the students.

# 5.1.9. Coaching classes for Civil Service, UGC-NET/ SLET Examinations

The college conducts coaching classes for Civil Service, UGC, NET/ SLET Examinations. Eminent staff with a good number of teaching experience are used for this purpose. Along with lecture – classes, study materials are also provided to the students. Many of the former students of the college have passed NET/ SLET Examinations and secured jobs in reputed institutions.

# 5.1.10. Enhancing student participation in Sport and Extracurricular Activities

To enhance student participation in Sport and Extracurricular Activities, competitions are conducted in the college. As far as sports is concerned, students are provided with free uniforms and shoes.

### 5.1.11. Institutionalized mechanism for placement

The function of the career guidance and placement cell in the college is highly appreciable. The staff in charge of placement cell has been given excellent training by the private and government sector officials. Several workshops and seminars have been conducted in this regard. The training programmes conducted in the college have helped the students to inculcate leadership qualities, high personality traits, positive attitudes etc.,

### 5.1.12 Students Placement Record

|      | Placement Record 2010 – 2011    |                  |                                    |                                |  |  |  |

### 5.1.13 Alumnae Association

The college has an alumnae association that contributes profoundly for the betterment of the college. It is a registered association consisting of many permanent members. Some of the alumnae of the college are working in the way institution as assistant and associate professors. One of the convocation programme has been grandly celebrated with the help of the alumnae of the college.

### 5.1.14 Grievance Mechanism

A Grievance Redressal Cell is functioning in the college. Its role is crucial as it has to tackle the unruly students and track them to the right path of the academic endeavours. It consists of members chiefly the heads of all the departments, under the leadership of the Principal. The extended activity of this cell is to counsel the defaulters and set them right at the budding stage of their recalcitrant tendency.

# 5.1.15. Cell for Sexual Harassment

Complaints of Sexual Harassment is very scanty in the college. Neverthless, a cell has been constituted by the principal consisting of senior staff members with equal representation from both sexes. So far, no individual complaint in this regard has been registered.

### 5.1.16. Anti-ragging Measures

The college has two different cells for bloting out ragging of any kind. They are; 1. The Antiragging Committee and 2. The Anti-ragging squad. The former deals with the persons against whom there are complaints whereas the latter takes up various steps to nullify the ragging propensity of students by dispersing them at places near bus stops, canteen and main entrance of the college.

# 5.1.17. Eliciting Cooperation from Stakeholders

The college keeps a genial relation with the parents and the guardians of the students. At the time of need, they are approached and financial and moral supports are gained. The college has raised a compound wall with the help of the influential persons of the locality.

# 5.1.18. Motivating Student Participation in Sports and Cultural Activities

The staff in charge of Sports and Cultural Activities go to every class rooms and motivate the students to participate sports and Cultural Activities apart from sending circulars. Teaching

faculty who acts as mentor of those students motivate them personally and enrich them with intense practices. The students have brought a lot of laurels to the college.

#### **Special Awards**

Participation and Programme Calendar of Extra Curricular Activities.

### National Cadet Corps (NCC)

Once there functioned an NCC unit in the college. But, it was abandoned by the Subaidar of the area as there was a poor enrolment of students for NCC. After a brief interval, tireless efforts have been taken to revive NCC in the college. However, there are some hitches to be overcome.

# Prizes / Awards Received by Students

Dr. O. Sivapriya Coordinator Kavin Kalai Mandram (Literary Arts Club)

# **5.3.7 Feedback on support services**

Feedback on support services is collected from the students and they are duly analysed and decisions are taken for the improvement of the same.

# 5.3.8 Feedback from graduates

Feedbacks are collected from the graduates just before the convocation day celebration. A committee consists of the senior members of the college go through the feedbacks and imbibe the quintessence of the whole suggestions and makes recommendations to the principal to take constructive measures for the positive growth and development of the college.

# **5.3.9 Students involvement in publications**

Students are given a fair chance to display their innate talents and artistic bend of mind. For, there are students whose power of creation are inexplicable. It is the sole duty of the college to cater to their power of creativity. Generally students contribute considerably to the college magazine.

# 5.3.10 Students Council

There is no organized students council in the college. Yet, a council has been formed with the select representation from each department in the college. They would be always helpful at the time of Annual Day Celebrations, Convocation Day Celebrations and the Celebrations of National festivals.

# 5.3.11 Academic and Administrative Bodies with Student representatives

Councils such as; Sports Council and Library Council contain due representation from students side. They are free to express their ideas, opinions and comments on the matter of importance taken for discussions. Their valid suggestions are taken preciously for the development of the college.

# CRITERION VI : GOVERNANCE, LEADERSHIP AND MANAGEMENT

# 6.1. Institutional Vision and Leadership

### Goal :

To uplift the down-trodden by means of education.

#### Vision :

To provide progressive education that blends traditional values with modern ideas and to motivate and cultivate intellectually enlightened, morally upright, socially committed, emotionally balanced, spiritually enshrined and thoughtfully harmonious young men and women to meet the challenges of the present and future.

#### Mission :

Endeavours to provide opportunities for the economically, socially, culturally downtrodden lots – women in particular to attain freedom of mind, mental discipline, intellectual potentiality, firm conviction, and employability.

### 6.1.2. Distinctive Characteristics of the College :

The College is situated a little away from the city, surrounded with villages of unpromising lots. Most of them are the first generation people whose vision of life is rather bleak and unambitious. They cacoon themselves safely in the shells of ignorance, die-hardishness, visionless tradition and unfruitful social practices. Of course, they are socially, economically and culturally backward and are quite unaware of the social charges and the opportunities which are always at the door steps for their upper mobility. Most probably, they are pleased with their state of hibernation and reluctant to enter the world of change and progress. Majority of the aspirants are coming from the peasant families. Some of the students do part time jobs to continue their education. So, the college adopts all kinds of time-tested methods to impart life making education to the students of its locality

### 6.1.3. Leadership involvement:

The Principal occupies the apex position in all the helm of affairs pertaining to the spheres of administration and academic activities. All the general and specific works of the institution are decentralized and H.O.Ds of all the departments play a very significant role in this regard.

College council is a strong body that consists of the Principal, Heads of all departments, the Physical Director, the WSS, URL Officers that deals with all matters of importance. For instance, funds from UGC and the state government and the allotment of the same to all the departments are discussed in the Council and the amount is distributed based on the needs of each department. Furthermore, there are some other committees wherein senior faculty members are involved to carry out various other works of academic importance. Trivial matters and the petty quarrels of students are dealt in the concerned departments.

# 6.1.4. Leadership position vacancy:

The appoint of Principals and other Staff members are done by the government through the directorate of Collegiate Education and Teachers Recruitment board respectively. There had been vacancy in the Principal's post due to some reasons. Fortunately, for the past two years the college had its own regular Principal. However, the absence Principal would not deter any of its progressive enterprises. The senior most Professor would act as Principal in-charge and perform all the college related works in his own capacity.

# 6.1.5. Filled up positions of statutory bodies:

The College council is the statutory body of the college. All kinds of deliberations and decisions are made in the council only. If any position falls vacant, it will be filled by the next senior. The senate member, the physical educational officer, the project officers of NSS, URC etc are also included in the college council. And the vacancy of these members are duly filled through elections.

# 6.1.6. Promoting Participatory Management:

Besides the College council, there are other committees that also function to uphold integrity of the college. It gives much room for participatory management. In this respect, the college has set up committees such as; Anti-ragging committee, Parent-teachers association, College cooperative stores, Thrift society etc. Other associations too work for the welfare of the students in accordance with the direction of the Principal.

# 6.1.7. Leadership by the University to the College:

The role of the University is unique and vital in terms of academic pursuits. The College is affiliated to Periyar University, Salem. New courses are offered only when the University satisfies with recommendations sent by the commission of the University. Board of studies for each discipline has been formed by the University which consists of the subject experts of

various colleges within the jurisdiction of Periyar University and a representative professor from the other University. The board of each subject sits for curriculum design and syllabus formation periodically. Examination schedule, fees structure, introduction of new courses and other academic related programmes are also recommend by these boards.

#### 6.1.8. Grooming Leadership at all levels :

All the staff including the Principal undergo training programmes periodically. The Principal is given training in terms of general administration and finance management. The teaching staff members receive training programmes conducted by Academic Staff Colleges and other state-level-organisations. The non-teaching staff undergo training programme at Bhavani, Tamil Nadu. In addition to this, the teaching staff attend seminars, workshops and other training programmes conducted either by the government or by the reputed private organizations such as Infosys, Elcot, ... The ablest staff of the college have conducted many a number of state and National level seminars, workshops and training programmes. Opportunities are equally given to departments of both Science and Humanities indiscriminately.

#### 6.1.9. Knowledge Management:

The college is committed not to keep Knowledge a stagnant pool. Whoever gain Knowledge of academic interest from any vital source will never keep it same as a covetous treasure but divulge the same to others. Very recently two staff from each department have been deputed from the college to train DIET faculty members and Teachers handling to +2 classes of Krishnagiri District. The computer science staff has extended helping hands to Police department of the locality in the matter of Computer programmes. On the other hand, the college non-teaching staff have got specific knowledge from the treasury of the collectorate in the field of advanced computer programmes.

#### **6.1.10.** Values reflected in the functioning of the college :

#### **Contribution to National Development**

The contribution of the college to the National Development is done only through the publication of books. Some of the staff have conducted awareness programmes such as AIDS Rehabilitation programmes, Blood donation Camps and the Renewable energy and Energy conservation programmes.

#### **Fostering Global Competencies among Students :**

Students need to gain skills such as; Communication skills, soft-skills, Computer Education, Personal management, Creativity etc, along with their core subject matters. These skills only enhance the competency and potentialities of the Students. Coaching classes have been conducted to sharpen the above skills and many of the students have been immensely benefitted. Many a number of seminars, workshops and training programmes have been conducted in the college.

#### Inculcating a value system among Students :

Students can never attain full-fledged growth if they receive no value education. Value education is the part of the curriculum. The mission of the college too reflects the essentiality of moral teachings. In order to foster absolute values and national integration students are taken to historically and culturally important places and renowned archeological centres.

#### **Promoting use of Technology :**

To keep pace with the speedy world, use of advanced technology is highly needed. Technology makes our learning process fast and efficient. The office of the college has been fully computerized. And, all the records have been digitally stored. Periyar University carries out all data-exchange through on-line only. A Student-friendly hi-tech smart class-room has been introduced recently.

#### **Quest for Excellence:**

The college has set its march towards excellence in all its objectives. Many-a-number of measures have been taken ever since its inception to reach such as desired goal.

#### 6.1.11. Compliance to the Recommendations of UGC Review Committee :

**The Recommendations** made by the previous NAAC Committee have been duly complied with. Accordingly, a Librarian has been appointed to run the general Library, a Canteen has been started. Parent Teachers Association and OSA (Aluminae) have been formed.

#### 6.2. Strategy Development and Deployment

#### 6.2.1. The Perspective Plan:

#### **Teaching and Learning :**

- ▶ Introduction of M.Com, M.Phil, Ph.D
- ➢ Success in UGC, NCT, CSIR.
- ➢ E-Modules for each Department.
- ➤ Inter-disciplinary courses.

#### **Research and Development :**

- ➤ Many-a-number of major and minor projects.
- Creating research awareness among students.
- Projects to uplift social standards.
- Sophisticated Laboratories.

#### **<u>Community Engagements :</u>**

- Distribution of findings to the community.
- Literacy programme.
- ➢ Eye-camps.
- ➤ Health awareness programmes.
- ➢ Blood-donation camps.
- AIDS Awareness programmes.
- SHG supportive programmes. (Canteen run by SHG)

#### Human Resource planning and development :

- Programmes to sustain the essential values.
- > Training programmes for freshers.
- > Leadership and Personality development programmes.
- Enterpreneurship programmes.

#### **Industry Interaction :**

- ➢ Industry visit.
- ➢ Inviting industrialists to create awareness.

#### Internalisation :

- Students are motivated to internalize the vital qualities and values obtained from resource persons.
- > Technology observed is internalized.

#### 6.2.2. Effective Internal Organisational structure for Decision Making :

The college council is the only governing body that takes all vital decisions and creates plans for the decisions and creates plans for the sustained progress and achievement of the college. Each of its members is honoured duly when he/she brings any suggestion or idea for the substantial growth of the college. Plans proposed by any of its members are discussed openly and deliberations are arrived at. If the plans are suitable for implementation, they are accomplished at once.

#### 6.2.3. Planned proposals initiated / implemented

#### Plans initiated / implemented in the last four years:

- ➢ UG Courses.
- > PG Courses.
- ➤ M.Phil in
- ➢ Ph.D in
- ➤ Canteen facility available.
- Edu-Sat programme on its run.
- Digital Library is established.
- Smart Class-room has been introduced in Computer department.
- > LCD facility is extended to four departments.
- > Data Cards have been issued to all department to have access to Internet.
- > Sufficient furniture facility to all departments.

#### 6.2.4. Quality Policy:

The Quality Policy has been formulated following the ideological vision and mission of the college. The Principal and the IQAC work together to achieve all the objectives of the policy. The college council reviews its outcome periodically.

#### 6.2.5. Grievance Redressal and Analysis of Grievances:

The college assures overall personal development, progress, up-to-date knowledge, sociability and absolute harmony. The grievances of both the students and staff are redressed in a short span of time.

Generally, Students' grievances are attended to by the respective H.O.Ds. Certain grievances that demand the close attention of the Principal are taken to his knowledge and he finds their redressal. Grievances of the staff are attended to by the Principal. A special cell has been constituted to set right problems of ragging and eve-teasing.

#### 6.2.6. Student feedback on Institutional Performance:

The college receives its feedbacks from the students and ensures good performance. Every department head receives feedback from the students and improves their qualities of teaching, suggestions received from the parents are conveyed to the teachers for better performance once or twice in the academic year. The Principal addresses the teaching and non-teaching faculties to improve their efficiency and workmanship.

#### 6.2.7. University's Help in Identifying Development Needs:

The University authorities maintain a good rapport with the college. They always extend their helping hands at the time of need. Many of the UGC developmental programmes are intimated to the college by them. Furthermore the University Officials give proper guidance and direction in implementing the UGC programmes and other state-level programmes.

#### 6.2.8. Benefits of CDC:

CDC (College Development Council) functions effectively in the college. It recommends Staff for the UGC Faculty Improvement programmes. It strives to get UGC merged schemes with sufficient fund for conducting innovative and edifying programmes with an aim to uplift the Students.

#### 6.2.9. Feedback from Non-Teaching staff, Teaching staff, Alumnae and Parents:

The College regularly gets valuable feedbacks from the non-Teaching staff. These feedbacks are helpful in the matter of financial related matters such as ; Scholarships, Utilization of various funds from UGC and State government. Feedbacks from teachers are reckoned essential to improve the teaching-learning process. The forward-thinking Alumnae's feedbacks are also taken seriously to the welfare of the students community. On the whole,

the valuable feedbacks are discussed elaborately in the college council and decisions are taken.

#### 6.2.10. Departmental Autonomy and Accountability:

The autonomy status of the departments are limited in the College. The departments are empowered to conduct model examinations. They can purchase Library books and Chemical substances in case of Chemistry and Botany departments.

#### 6.3. Faculty Empowerment Strategies

#### 6.3.1. Professional Development of Teaching and Non- Teaching Staff :

Professional Development is quite indispensable to both Teaching and Non- Teaching Staff. The college encourages the teaching faculties to undergo any number of UGC sponsored programmes, national and international seminars to strengthen their professional potentialities. Similarly, the non- teaching staff undergo training programmes to enhance their efficiency in their official accomplishments.

#### **6.3.2. Review of performance appraisal reports:**

The performance appraisal reports are collected from the teaching staff on completion of their period of time for promotion. Both the office staff and the CDC peruse the documentations and the records cited in the appraisal and recommend the same to the Director of Collegiate Education, Chennai for favourable course of action if any wrong entry in the appraisal form is found, immediately they are rectified with the help of the superintendent of the office.

#### 6.3.3. Welfare Schemes for teachers and Non-Teaching staff :

The two registered and recognized bodies function in the college for the welfare of the teaching faculties are: Government College Teacher's Association (TNGCTA) and Tamil Nadu Government College Teacher's Mandram (TNGCTM). They judiciously look after the welfare of the teaching faculties. Apart from these, the college has Thrift Society that meets the financial need of both the teaching and non- teaching staff. The co-operative store that functions in the college purchases text-books and note-books and sell them to Students and Teachers in low prices.

#### **6.3.4.** Measure for retaining eminent faculty:

The Teachers Recruitment Board (TRB) is a governmental body that recruits the teaching staff. The college has hardly any power to retain any staff for its use. It is the directorate of

Collegiate Education that transfers or deputes the staff to any where else it wishes them to work on the ground of administrative reasons. So, no measure could be possibly taken to retain the eminent faculty.

#### 6.3.5. Gender Audit:

May be conducted in the near future.

#### 6.3.6. Gender Sensitisation programmes:

Women's Day Celebrations are conducted in a grand scale. In such festive occasions, women – related topics esp, gender discrimination, female child abuse, equal rights for women etc, are discussed. Very recently a programme on the topic "Leadership for Women" has been conducted in the college.

#### 6.3.7. Impact of Academic Staff College:

The role of Academic Staff Colleges (ASC) is so remarkable as UGC sponsored training programmes such as orientation courses for fresh faculty members and refresher courses for up-dating the knowledge of the existing staff are conducted by them.

#### 6.4. Financial Management and Resource Mobilisation

# 6.4.1. Institutional Mechanism to Monitor Effective and Efficient use of Financial Resource:

The government of Tamil Nadu allocates funds to collegiate education during its budget sessions every year. Then the money allotted is distributed to each college. The college fees and other fees are collected and deposited in the bank under PD accounts. Generally payments are made through DDs only. Bursar is the financial authority for all kinds of financial transactions in the college. In the college, the money allotment to every department is done with concurrence of both the Principal and the Bursar through the deliberations that are made in the governing council of the college. Every bill is checked and counter-signed by the section clerk and then passed by the Bursar.

#### 6.4.2. Mechanism for Internal and External Audits:

All the accounts of the college are audited by the auditors nominated by the government. Besides this, interdepartmental audits are carried out between departments.

#### 6.4.3. Regular Auditory:

The accounts of the college are audited regularly by AG auditors nominated by Directorate of Collegiate education. The audit statement of the last session is annexed herewith.

#### 6.4.4. Resource Mobilization:

The state government meets all the essential needs of the college. In addition to this, the college receives UGC grants for its various development programmes.

#### 6.4.5. Corpus fund:

A small part of the fees allotted from the students is transferred to the corpus fund every year and kept in fixed deposit.

#### 6.5. Internal Quality Assurance System

#### 6.5.1. Academic Audit of departments

NA

#### 6.5.2. Specific Measures to improve teaching:

Smart class system has been introduced for the first time in the Department of Computer Science. It will be further extended to all other department in the course of time.

#### 6.5.3. Central body to review teaching learning:

However the teaching-learning process and their outcome are reviewed periodically by the Principal and the Committee constituted by him. But, all these procedures are done in the informal manner.

#### 6.5.4. Institutionalising Quality Assurance through IQAC:

IQAC has been actively functioning in the college with the thrust on academic excellence. The main task of IQAC is planning and monitoring and this is accomplished through the functions: Facilitating a learner centric environment conducive for quality education, consolidating the Feed Back responses from students, parents and other stake holders, disseminating information on the various quality parameters of higher education, organising Inter and Intra institutional workshops and seminars on Quality related themes and documenting the various quality enhancing programmes / activities of the college.

#### 6.5.5. Significant contributions made by External Members of the IQAC:

The external member Mr. V. Yuvaraj B.Sc., B.L, Advocate, Member-Bar council, suggestions are passed to the respective bodies for further improvements.

#### 6.5.6. Policies for Periodic Review of Administrative and Academic Departments:

The college has periodic reviews of its administrative and academic Departments:

The IQAC meetings are conducted often that would provide for a comprehensive review on students performance, infrastructure availability and academic conformance. The department reviews the implementation of the annual plans, the need and the difficulties faced and plans for the next year appropriately The CoE reviews the evaluation of all courses and the summary of transparency provides for corrective and preventive action to be undertaken in the forthcoming semesters The Library Advisory Committee reviews the requirements and complaints on library resources once a semester and suggests appropriate measures. The Principal and Bursar review the performance of vendors, once a year that would provide for removal/suspension from the supplier's list.

### **CRITERION VII : INNOVATIONS AND BEST PRACTICES**

#### 7.1.1 Green Audit :

The paradigm of green audit has been carried out in the college. In this respect, power consumption has been considerably reduced. This has been achieved by creating awareness among the personnels working in the institution. The other significant measure taken in this regard is to make the college campus clean and green. Various steps have been taken to ensure eco-friendly atmosphere in the college.

#### 7.1.2 Initiatives taken by the College to make the campus eco-friendly :

#### **Energy Conservation**

In order to conserve energy the Fluorescent tube lights (40 watts) have been replaced with power saving CFL and LED bulbs. Star-rated split ACs are used in the college. Strict Instructions have been given to all the staff to turn off the light during day times.

#### **Rain Water harvesting**

The Rain Water harvesting scheme has been implemented in many places in the college premises. The Physical structure of the Rain Water harvesting has been done in accordance with the prescribed plan of the Government of Tamil Nadu.

#### 7.2 Innovations:

- > Continuous and Comprehensive evaluation.
- Smart Class Room.
- ➤ CC TV in the Campus.
- Data Card to have Net access.
- > LCD
- OHPs in select departments

#### 7.3 Best Practices:

#### 7.3.1 Best Practices – I:

#### **Title of the practice:**

Helping the students with question bank.

#### **Objectives of the practice :**

> To make the students well prepared for the University Exam.

- > To make the students achieve thoroughness in their subjects.
- > To make the students gain self-confidence and positive altitude.

#### The Context

Question bank provides the students a clear-cut and comprehensive idea about the pattern of the University questions. The familiarity with the question pattern make the students feel ease at home when they appear for the semester examination. It also helps them refine their presentability.

#### 7.3.2 Best Practices – II:

#### **1.** Title of the practice :

Identification Card with photo.

#### 2. Objectives of the practice :

This practice makes the students have more responsibility and belongingness. Students from other institution can be easily identified. It also helps the staff find out impersonisation during the time of University examination.

#### 3. Challenging Issues:

Once a few miscreants from other educational institution entered the campus to develop unhealthy relationship with our students and to introduce nefarious practices. The Principal with a team of teachers went for a round and caught hold of the outsiders and warned them as it was the first time occurrence. One other occasion, an examination jockey was caught and he was penalized. It is ID card that helped the staff in all these occasions.

#### 4. The Practice:

ID cards are issued to students a fortnight after the final counseling for admission. It is mandatory that every student must wear the ID Card hanging on their chest while entering the college premises. Defaulters will be punished. During the time of University examination, no one is permitted to write examination without ID card.

#### 5. Dress code:

Dress code is another practice that keeps students look modest and makes them behave decently in the college premises. Sleeveless T-Shirts and tight jeans pants are forbidden in the college campus.

#### 6. Evidence of success:

Impersonation during the time of examination has been successfully thwarted. Intrusion of outsiders has been averted and decent behavior in the campus has been upheld.

#### 7. Problems encountered and Resources required:

In this respect, no major problem has been faced so far. Initially there has been difficulties in implementing such code of conduct. However, the obstacles have been overcome with the unfailing cooperation of the staff.

### **3. EVALUATIVE REPORT OF THE DEPARTMENTS**

### **DEPARTMENT OF TAMIL**

- 1. Name of the Department: TAMILYear of Establishment: 1964
- 2. Name of the programmers / Courses offered (UG, PG, M.Phil., Ph.D., Integrated masters, Integrated Ph.D., etc.)
  UG BA., B.Lit., Tamil
  PG MA ., Tamil., M. Phil., Ph.D.,
- 3. Interdisciplinary courses and departments Involved Nil
- **4. Annual / semester / choice based credit system** Choice Based Credit System (semester)
- **5.** Participation of the department in the courses offered by other department. Language –Part I Tamil is offered to all the department of the college.
- 6. Number of the teaching post sanctioned and filled ( Professors / Associate professors /Asst. Professors )

| Position             | Sanctioned | Filled |

|-------------------------|--------------------|
| SLET                    | : -                |
| <b>Defence Services</b> | : 66               |
| Other Services          | : 43 (TNPSC / TRB) |

#### 24. Student Progression

| Student Progression           | Percentage against enrolled |
|-------------------------------|-----------------------------|
| UG to PG                      | 40                          |
| PG to M.Phil.                 | 25                          |
| PG to Ph.D.                   | 20                          |
| Ph. D. to Post – Doctoral     | NA                          |
| Employed                      |                             |
| Campus selection              | 10                          |
| Other than campus recruitment | 30                          |
| Entrepreneurs                 | 15                          |

#### 25. Diversity of staff

| Percentage of faculty who are graduates of the same parent university | 100 |
|---|-----|
| From other university within the State                                | -   |
| From other university from other State                                | -   |

# 26. Number of faculty who were awarded Ph.D., B.sc., D. Lit. during the assessment period.

Two

#### 27. Present details about infrastructural facilities

| a) | Library                                   | :Available 2000 books |
|----|---|-----------------------|
| b) | Internet facilities for staff and student | : Available for shaft |
| c) | Total number of class rooms               | : 8+1                 |
| d) | Class rooms with ICT facility             | : Nil                 |
| e) | Students' Laboratories                    | : Nil                 |
| f) | Research laboratories                     | : Nil                 |
|    |   |                       |

**28.** Number of students of the department getting financial assistance from the college 400 Students get Government scholarship through college

# 29. Was any need assessment exercise undertaken before the development of new program(s)? If so, Give the methodology Nil

#### 30. Does the department obtain feedback from

- a. Faculty on curriculum as well as teaching learning evaluation? If yes, how does the department utilize it?
   Yes the department obtains feedback from faculties on curriculum as well as teaching
  - learning evaluation. The suggestions are used in the syllabus formation.
- b. Student on staff, curriculum as well as teaching learning evaluation and what is the response of the department to the same?
  Yes, the department obtains feedback from student on staff, curriculum and teaching- learning evaluation through questionnaire and by discussion. In accordance with the opinions and concrete suggestions given by students, modifications in the syllabi is carried out, if necessary. The faculties are also instructed to follow the effective method of teaching so to suit the need of the student.

c. Alumni and employers on the programmers and what is the response of the department to the same?

The department also keep in touch with the Alumni and employers and get their opinions on the utility of the programmed. Their concrete suggestions are carefully considered and necessary steps are taken to maximize the applications of the programmers which widens its scope as well.

#### 31. List the distinguished alumni of the department (maximum 10)

- 1. Dr. Venadasalam, Present, Periyar University
- 2. D.Kumaram, Sect, Periyar University
- 3. J.Raja, Treasure, Periyar University
- 4. Dr.V.Velu mani, Voice Present, Madras University
- 5. C.Murgasan, Joni Serer, Tug, Madras University
- 6. Dr.T.Muthu, member, Madras university
- 7. Dr. V.Vijayenthiran, Member, Madras University
- 8. Jeeva, Member, Madras University
- 9. Dr. Mani Vel, Member, Madras University
- 10. Dr. K. Venatesan, Member, Madras University

### **32.** Give details of student enrichment programmers ( special lectures / workshops / seminars ) with external experts.

Special lectures from eminent scholars

Students are encouraged to attend seminars and workshops

### **33.** List the teaching methods adopted by faculty by the faculty for different programmers.

Lecture method Demonstration Method Chalk and Talk Method Group Discussion Power point presentations OHP Presentations

### **34.** How does the department ensure that programmer objectives are constantly met and learning outcomes monitored?

In order to ensure the fulfil mend of the objective of the programmer, the departments introduce application oriented subjects. It widens the scope of the programmer. The syllabi is also updated to meet the demand of the society. In order to assess the utility of the programmer / learning outcomes, the status of the Alumni and the benefit of the society of the society from the programmer are constantly monitored.

#### 35. Highlight the participation of students and faculty in extension activities.

#### **4** Staff Participation:

#### **4** Student Participation:

NNS, NCC, YRC, RRC, Retract Club, LEO Club, Consumer Forum, Population Club, Arts & Performing Arts, Sports and Games.

- 36. Give details of "beyond syllabus scholarly activities" of the department.
- **37.** State whether the programmed / department is accredited / graded by other agencies.
- **38.** Detail any five strength, weaknesses, Opportunities and challenges (SWOC) of the Department:

#### Strengths

- 1. Presence of qualified staff
- 2. Giving almost 100% result regularly
- 3. Publications of research articles by all faculties

#### Weaknesses

- 1. Absence of M.Phil and Ph.D courses
- 2. Insufficient faculties
- 3. Lack of infrastructure
- 4. Absence of Language laboratories
- 5. No computer facility is available

#### **Opportunities**

- 1. Students get ample opportunities to get employed as teachers
- 2. Chances to learn various aspects of Folklore
- 3. Opportunities in fine Arts
- 4. Earn while learn
- 5. Coaching classes for students are conducted to face various competitive examinations

#### Challenges

- 1. To change the system of education to suit the needs of the society
- 2. To revive the culture and fine Arts which are about to extinct
- 3. To Preserve the rich traditions of society

#### **39.** Future plans the department

- 1. To create opportunities by training students to be job ready to meet out the challenges of this competitive contemporary society
- 2. To improve the infrastructure by acquiring Government Aid like PG grant and other grants from UGC.

### **DEPARTMENT OF ENGLISH**

- 1. Name of the Department<br/>Year of Establishment: ENGLISH<br/>: 1972
- 2. Names of Programmes / Courses offered (UG, PG, M.Phil, Ph.D, Integrated Masters, Integrated Ph.D etc.)
  - UG BA English PG - MA English
  - M.Phil English
  - Ph.D English
- 3. Inter-disciplinary courses and departments involved : Nil
- 4. Annual / Semester / Choice Based Credit System Choice Based Credit System
- **5.** Participation of the department in the course offered by other departments. Non-major elective (speak better write better) communication skills and personality development to all the departments.
- 6. Number of teaching post sanctioned and filled (Professors / Associate Professors / Asst. Professors)

| SANCTIONED | FILLED |
|------------|--------|
|            | NIL    |
| 14         | 03     |
|            | 02     |
|            |        |

7. Faculty profile with name, qualification, designation, specialization (D.Sc / D.Litt / Ph.D / M.Phil, etc.,)

| NAME                 | QUALIFIC<br>ATION    | DESIGNA<br>TION        | SPECIALIZATION                                  | NO.OF<br>YEARS<br>OF<br>EXPERI<br>ENCE | NO.OF<br>Ph.d<br>Guided<br>for the<br>last<br>4 years |

#### **Student Participation:**

NSS, YRC, RRC, Rotaract Club, LEO Club, Consumer Forum, Population Club, Fine Arts & Performing Arts, Sports and Games.

#### 35. Give details of "beyond syllabus scholarly activities" of the department.

- Literary competitions by ELA (English Literary Association)
- Movie Time in English Language Lab
- Guest Lecturers
- **36. State whether the programme / department is accredited / graded by other agencies.** Nil
- **37.** Detail any five Strengths, Weakness, Opportunities and Challenges (SWOC) of the Department.

#### Strengths

- 1. Qualified and experienced staff.
- 2. English Language Lab
- 3. Coaching Classes for NET
- 4. Research Guidance.
- 5. Disciplined students

#### Weaknesses

- 1. Infrastructure
- 2. Staff Vacancy
- 3. International Collaboration
- 4. Department journal.

#### **Opportunities**

- 1. Communicative English
- 2. Adoption of School.
- 3. Inter-disciplinary Research.
- 4. CALL Software Development.
- 5. Training for Weaker sections.

#### Challenges

- 1. Semi-urban set up.
- 2. Lack of exposure.
- 3. Limited exposure.
- 4. Restrictions in appointments.
- 5. Lack of awareness among students.

#### **38.** Future plans of the department.

- 1. Introduction of Diploma and Certificate courses.
- 2. More number of seminars and workshops.
- 3. Introduction of students Exchange Programme.
- 4. Introduction of collaboration with agencies and institutions.
- 5. Enhancement of Research activities.

### **DEPARTMENT OF HISTORY**

- 1. Name of the Department<br/>Year of establishment: HISTORY<br/>: 1964
- 2. Names of Programmes / Courses offered (UG, PG, M.Phil, Ph.D., Integrated masters Integrated Ph.D., Etc)
  - UG -- History
  - PG -- History
  - M.Phil -- History
  - Ph.D -- History
- **3. Interdisciplinary courses and departments involved.** Salai pathukappu vithigal

Pechukkalai

Involved department his Tamil.

- 4. Annual / Semester/ Choice based credit system Choice based credit system ( SEMESTER)
- **5.** Participation of the department in the courses offered by other Departments. The Department offers non – major elective to the Department of the Tamil.
- 6. Number of teaching post sanctioned and filled (Professor/ Associate Professor/ Assistant Professor)

| POSITION            | SANCTIONED | FILLED |
|---------------------|------------|--------|
| Professor           |            | NIL    |
| Associate Professor | 12         | 1      |
| Assistant Professor |            | 10     |

| 7. | Faculty profile with name , qualification, Designation, Specialization(D.Sc/ D.Litt/ |
|----|--|
|    | Ph.D.,/ M.Phil., Etc)  |

| NAME                    | Qualification                          | Designation            | Specialization                        | No.of<br>Years<br>experi-<br>ence                | No.of Ph.D/<br>M.Phil<br>Students<br>Guided for<br>Last 5 years |

#### 24. Student Progression

| Student Progression           | Percentage against enrolled |
|-------------------------------|-----------------------------|
| UG to PG                      | 95                          |
| PG to M.Phil                  | 80                          |
| PG to Ph.D                    | 40                          |
| Ph.D. to Post-Doctroal        | Nil                         |
| Employed                      |                             |
| Campus selection              | Nil                         |
| Other than Campus recruitment |                             |
| Entrepreneurs                 | Nil                         |

#### 25. Diversity of staff

| Percentage of faculty who are graduates of the same parent university | 9%  |
|---|-----|
| From other universities within the State                              | 91% |
| From order universities from other States                             | Nil |

- 26. Number of faculty who were awarded Ph.D., D.Sc., and D.Litt. during the assessment period.
  - Nil

#### 27. Present details about infrastructural facilities

| a) | Library                                    | : Available 2262 books |
|----|--|------------------------|
| b) | Internet facilities for staff and students | : Available            |
| c) | Total number of class rooms                | : 8                    |
| d) | Class rooms with ICT facility              | : Nil                  |
| e) | Students' laboratories                     | : Nil                  |
| f) | Research laboratories                      | : Nil                  |
|    |  |                        |

- **28.** Number of students of the department getting financial assistance from the college All students are getting Government Scholarship through college
- **29.** Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology No new course were started recently

#### **30.** Does the department obtain feedback from the students

Yes, the Feedbacks were obtained from the students

a) Faculty n curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize it?

Yes, the Departments obtain feedback from faculties on curriculum as well as teaching-learning-evaluation. The suggestions are used in the syllabus formation.

b) Students on staff, curriculum as well as teaching-learning-evaluation and what is the response of the department to the same?

The department obtains feedback from students on staff, curriculum and teachinglearning-evaluation through questionnaire and by discussion. In accordance with the opinions and concrete suggestions given by students, modifications in the syllabi is carried out, if necessary. The faculties are also instructed to follow the effective method of teaching so as to suit the need of the students.

c) Alumni and employers on the programmes and what is the response of the department to the same?

The departments also keep in touch with the Alumni and employers and get their opinions on the utility of the programme. Their concrete suggestions are carefully considered and necessary steps are taken to enlarge the applications of the programme which widens its scope as well.

| S.No | Name of the Students | Year of Study | Position held       |
|------|----------------------|---------------|---------------------|

**31.** List the distinguished alumni of the department (maximum 10)

- 32. Give details of student enrichment programmes (special lectures / workshops/ seminars) with external experts. Nil
- 33. List the teaching methods adopted by the faculty for different programmes. Lecture Method
  - **Demonstration Method** Chalk and Talk Method Group Discussion Power point presentations
- 34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored? Tutorial method
- 35. Highlight the participation of students and faculty in extension activities.
  - **4** Staff Participation:
    - 1. Dr. I. Selva Seelan Chief Superintent of Periyar University Examinations (2014-15)
    - 2. Prof. M. Chennappan, Co-ordinator, NSS UGC XIth PLAN 11/14 NET/SET COACHING CENTRE 2012-2013- Co-ordinator
    - 3. Dr. P. Venkateswaran Co-ordinator, NSS(2009-12) UGC XIth PLAN 12/14 Coaching Classes For Entry In Services 2012-2013 Social Service League
    - 4. Prof. J. SARASA Placement Cell Co-ordinator

#### **4** Student Participation:

NSS, YRC, RRC, Rotaract Club, LEO Club, Consumer Forum, Population Club, Fine Arts & Performing Arts, Sports and Games.

- **36.** Give details to "beyond syllabus scholarly activities: of the department. Nil
- **37. State whether the programme/department is accredited / graded by other agencies.** Nil

### **38.** Detail any five Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the Department:

#### Strengths

- 1. Sufficient number of qualified teaching staff
- 2. Krishnagiri is a rural area, the students under below average get higher education opportunities through the course
- 3. Department is associated with Museum and Archaeological departments of the district in exploring new sited around the district.
- 4. The department utilizes the Wifi connectivity, broadband services and LCD projector effectively.

#### Weaknesses

- 1. As the students coming from the rural area, the department strives hard to make them understand the subject.
- 2. The State and Central government do not extend financial support to enhance the facilities of the department.

#### **Opportunities**

- 1. There is a great opportunity for the students to get jobs in historical tourism.
- 2. The town has both museum and archaeological department. As and when the students get constant touch with this department, they will acquire sufficient knowledge in history and become great historians.
- 3. The successful candidates may have a chance to run self employment in travel and tourism.
- 4. Journalism is one of the subject in the department, the students may have an opportunities to get job in mass communication. There is opportunities for student to get higher position in civil services.

#### Challenges

- 1. The students with below average are used to get admission. The department tires to enhance their quality in education.
- 2. Irrespective of the subjects, the college management gives admission to the students. Most of the students get admitted without the basic knowledge of the subjects.

### 4. DEPARTMENT OF ECONOMICS

- 1. Name of the department<br/>Year of establishment: Economics<br/>: 2013
- 2. Name of the programmes / course offered (UG, PG, M.PHIL, Ph.D., (Integrated masters, integrated Ph.D., etc.) U.G- B.A Economics
- 3. Interdisciplinary courses and departments involved: Nil
- 4. Annual /Semester/Choice Based Credit System Yes, Semester System Choice based credit system (semester)
- **5.** Participation of the department in the courses offered by other departments. The department provides economics are one of the allied subjects to the course of commerce and history
- 6. Number of teaching post sanctioned and filled (Professors / Associate Professors/Assistant Professors)

| Position             | Sanctioned | Filled |
|----------------------|------------|--------|
| Professors           |            | Nil    |

|   |                         |

- **28. Number of students of the department getting financial assistance from the college** 153 students are going government scholarships through college
- **29.** Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology NIL

# **30.** Dose the department obtain feedback from

A) Faculty on curriculum as well as teaching –learning – evaluation? If yes, how does the department utilize it?

Yes, department obtain feedback from faculties on curriculum as well as teaching – learning - evaluation.

After through examinations, based on feedback on curriculum, a modification are carried out in the syllabi at board of studies meeting and is done in consultation with the subject experts usually invited from universities.

Department also obtain feedback from faculties on teaching – learning- evolution processes. Based on the opinions and suggestions given by the faculties, changes in the teaching methods/ processes are effected for the benefit of the students.

**B**) Students on staff, curriculum as well as teaching – evaluation and what is the response of the department to the same?

Yes, the department obtains feedback from students on staff, curriculum and teaching –learning –evolution through questionnaire and by discussion. In accordance with the syllabi is carried out, if necessary. The faculties are also instructed to follow the effective method of teaching so as to suit the need of the students.

C) Alumni and employers on the programmes and what is the response of the department to the same?

The departments also keep in touch with the alumni and employers and get their opinions on the utility of the programme. Their concrete suggestions as carefully considered and necessary step are taken to maximize the applications of programme which win dens its scope as well.

# 31. List of distinguished alumni of the department (Maximum 10) Nil

# **32.** Give the details of students enrichment programmes (special lecturers/ workshops/seminars) with external experts.

1. One day special lecturer conducted from department of economies, an entitle on "Indian Economy Today" Dr. S. M. Suriyakumar, Dated on 21. 08.2015.

# 33. List the teaching methods adopted by the faculty for different programmes.

- **4** Demonstration method
- Line Chalk and talk method
- **4** Group discussion
- **4** Power point presentations

# **34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?** Tutorial method

**35. Highlight the participation of students and faculty in extension activities.** 55 students of the department are associated with NSS and served the society.

Dr.C.Murugeshwaran Assistant professor is the coordinator of RRC. With the students of the college AIDS Awareness campaign has been carried out.

- **36. Students of the department are associated with NSS and served the society.** Dr.P.Vengadeshwaqran, Assistant Professors is the co-coordinator of Campaign has been carried out.
- **37.** Give details of "beyond syllabus scholarly activities" of the department. Engaged in population of articles, paper presentation sponsoring research projects (major minor)
- **38.** State whether the programme /department is accredited/ graded by other agencies. Nil
- **39.** Detail any five strengths, weaknesses, opportunities and challenges (SWOC) of the department:

# Strengths

- 1. Active participation of our staffs in motivating the PG students in research activities
- 2. In giving special attention to week students through remedial courses, etc.
- 3. In encouraging the students to write IES &ISS offices exams.
- 4. Monthly group discussion among the staff about the students performance, attendance etc.,

# Weaknesses

- 1. Lack of computer facilities.
- 2. Lack of research programming software.
- 3. Students are poor in communication skills.

# **Opportunities**

- 1. Students from remote areas are given good opportunity to do Ph.D
- 2. Open to wide employment opportunities in banking and research agencies.

# Challenges

- 1. Lack of communicative skills among majority of students.
- 2. Lack of awareness among students with regard to employability of economics subject.

# 40. Future plans of the department.

- 1. To provide carrier guidance and counselling to the outgoing students.
- 2. To organize the skill development programme for rural women through self-help groups.
- 3. To organize the research methodology course with the use of SPSS for research scholars.
- 4. To create district level database for rural development indicators.

# **5. DEPARTMENT OF COMMERCE**

- 1. Name of the Department: COMMERCEYear of establishment: 2005
- 2. Names of Programmes / Courses offered (UG, PG, M.Phil., Ph.D., Integrated Masters, Integrated Ph.D., etc.) UG - B.Com Commerce
- 3. Interdisciplinary courses and departments involved : Nil
- 4. Annual/ semester/ choice based credit system Choice Based Credit System (Semester)
- 5. Participation of the department in the courses offered by other departments. BBA
- 6. Number of teaching post sanctioned and filled (Professors / Associate professors / Asst. Professors)

| Position             | Sanctioned | Filled |
|----------------------|------------|--------|
| Professors           | 10         | Nil    |
| Associate Professors |            | 3      |
| Assistant Professors |            | 2      |

7. Faculty profile with name, qualification, designation, specialization (D.Sc/D.Litt./ Ph.D/M.Phil, etc.,)

| Name            | Qualification | Designation | Specialization  | No.of<br>years<br>Experi<br>ence | No.of Ph.D<br>students<br>guided for<br>the last 4<br>years |
|-----------------|---------------|-------------|-----------------|----------------------------------|---|
| Dr.S.M.Krishnan | M.Com.,       | Associate   | Marketing and   | 22                               | 10  |

| f) | Research laboratories                      | : Nil             |

**28.** Number of students of the department getting financial assistance from the college All eligible students from the respective BC/MBC/DNC/SC/ST category are getting financial assistants from the college in the form of Scholarship provided by the Government of Tamil Nadu.

# **29.** Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology. Nil

# 30. Does the department obtain feedback from

a) Faculty on curriculum as well as teaching –learning-evaluation? If yes, how does the department utilize it?

Yes, the department obtains feedback from faculties on curriculum as well as teaching – learning – evaluation. The curriculum development and modification is made by the Periyar University, Salem regularly. On the basis of the university, curriculum is

Department also obtain feedback from faculties on teaching – learning – evaluation processes. Based on the opinions and suggestions given by the faculties, changes in the teaching methods / process are effected for the benefit of the students.

b) Students on staff, curriculum as well as teaching-learning-evaluation and what is the response of the department to the same?

Yes. The department obtains feedback from students on staff, curriculum and teaching – learning-evaluation through questionnaire and by discussion. In accordance with the opinions and concrete suggestions given by students, modifications in the syllabi are carried out, if necessary. The faculties are also instructed to follow the effective method of teaching so as to suit the need of the students.

c) Alumni and employers on the programmes and what is the response of the department to the same?

The departments also keep in touch with the Alumni and employers and get their opinions on the utility of the programme. Their concrete suggestions are carefully

considered and necessary steps are taken to maximize the applications of the programme which widens its scope as well.

# **31.** List the distinguished alumni of the department (maximum 10)

| Manju .S       | T.C.S ,               | Hosur   |

# **32.** Give details of student enrichment programmes (special lectures / workshops / seminars) with external exports.

The department offers self-employment oriented programmes like EDP.

Regular guest lecturers and workshops are organized to develop the extra knowledge in the subjects.

Employment status of outgoing students is monitored. From the observation, it has been learnt that many are comfortably placed in various employments.

Visits to various industries are also arranged to get practical exposure in the subject related areas.

# 33. List the teaching methods adopted by the faculty for different programmes.

- ➢ Lecture Method
- ➢ Chalk and Talk Method
- Group Discussion
- Power point presentations
- Case study

# 34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?

In order to ensure the fulfilment of the objectives of the programme, the departments introduce applications oriented subjects. It widens the scope of the programme. The syllabus is also updated to meet the demand of the society. In order to assess the utility of the programme / learning outcomes, the status of the alumni and the benefit of the society from the programme are constantly monitored.

# **35.** Highlight the participation of students and faculty in extension activities. Student's participation:

# Students participation:

NSS, YRC, RRC, Rotaract club, Consumer forum, Fine Arts club, Sport and Games.

- **36.** Give details of "beyond syllabus scholarly activities" of the department. Nil
- **37.** State whether the programme / department is accredited / graded by other agencies. Nil
- **38.** Detail any five strengths, Weakness, Opportunities and Challenges (SWOC) of the Department:

# Strengths

- All the regular staff members are possessing doctorate in commerce. All our Guest lecturers are doing Ph.D
- Most of our staff members attended various seminars, Conferences and Workshops organized at international, national and state level.
- Well experienced faculty members
- New technological development in teaching like LCD is used
- One of our department faculties is the coordinator for the ED cell.

#### Weakness

- Lack of staff members in the department
- Most of the students are from most backward area. So, the communication skill of the students is very low.
- Need additional class rooms for PG and research programmes.

#### **Opportunities**

- Possibility of getting fund from the government and government agencies to develop the department
- Lab based courses like tally to make easy employable opportunities to the students
- Create a prosperous, peace and love

# Challenges

- Challenges to improve the communication skill and general knowledge
- Within next NAAC proposed to conduct not less than 20 seminars and workshops in the department
- Successful steps have been taken to have major and minor projects containing the process of local.
- Our challenge is to achieve 100% pass percentage and more than 50% of the students should achieve distinction.

# **39.** Future plans of the department.

- Introducing M.Com and research programmes
- Going to organize more workshops and seminars
- Organize skill Development Programmes
- Develop the support from the alumni for the development of the department
- Develop the support from the alumni for the development of the department

# **DEPARTMENT OF BBA**

- 1. Name of the department: BBAYear of establishment: 2005
- 2. Names of programmers /courses offered (UG, PG, M.phil., Ph.D., Integrated masters, integrated Ph.D., etc.) UG - BBA – I shift – 2005, II shift -2009
- 3. Interdisciplinary courses and departments involved : Nil

|   |                       |

- **28.** Number of students of the department getting financial assistance from the college 150 Students get government scholarship through college
- 29. Was any need assessment exercise undertaken before the development of new program(s)? If so give the methodology Nil

# **30.** Does the department obtain feedback from

a. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize it?

Yes, the departments obtain feedback from faculties on curriculum as well as teaching-learning-evaluation. The suggestions are used in the syllabus formation.

**b.** Students on staff, curriculum as well as teaching-learning-evaluation and what is the response of the department to the same?

Yes. The department obtains feedback from students on staff, curriculum and teaching-learning-evaluation through questionnaire and by discussion. In accordance with the opinions and concrete suggestions given by students, modification in the syllabi is carried out, if necessary. The faculties are also instructed to follow the effective method of teaching so as to suit the need of the students.

c. Alumni and employers on the programmers and what is the response of the department to the same?

The departments also keep in touch with the Alumni and employers and get their opinions on the utility of the programme. Their concrete suggestions are carefully considered and necessary steps are taken to maximize the application of the programme which widens its scope as well.

# **31.** List the distinguished alumni of the department (maximum 10)

- A. Madesh Dr. Agarwal's Eye Hospital Krishnagiri
- Y. Karthick Sri Balage auto agecotte Dharmapuri
- **32.** Give details of student enrichment programmes (special lectures / workshops / seminars) with external experts.

Special lectures from eminent scholars

Students are encouraged to attend seminars and workshops.

# **33.** List the teaching methods adopted by the faculty for different programmes.

Lecture Method Demonstration Method Chalk and Talk Method Group Discussion Power point Presentations OHP Presentations

**34.** How does the department ensure that programme objectives are constantly and learning outcomes monitored

In order to ensure the fulfilment of the objectives of the programme, the departments introduce application oriented subject. It widens the scope of the programme. The syllabi are also update to meet the demand of the society. In order to assess the utility of the programme/learning outcomes, the status of the Alumni and the benefit of the programme are constantly monitored.

# 35. Highlight the participation of students and faculty in extension activities.

- Staff participation Nil
- Student participation NSS, YRC, RRC, Consumer Forum, Fine Arts & Performing Arts, Sports and Games.
- **36.** Give details of "beyond syllabus scholarly activities " of the department Nil
- **37.** State whether the programme / deportment is accredited / graded by other agencies. Nil

# **38.** Detail any five strengths , Weaknesses, Opportunities and Challenges (SWOC) of the Department:

# Strengths

- 1. Presence of qualified staff
- 2. Giving almost 100% result regularly
- 3. Publications of research articles by all faculties

# Weaknesses

- 1. Absence of M.Phil and Ph.D courses
- 2. Insufficient faculties
- 3. Lack of infrastructure
- 4. Absence of language laboratories
- 5. No computer facility is available.

# **Opportunities**

- 1. Students get ample opportunities to get employed as teacher
- 2. Chances to learn various aspects of folklore
- 3. Opportunities in Fine Arts
- 4. Earn while learn
- 5. Coaching classes for students are conducted to face various competitive examinations

# Challenges

- 1. To change the system of education to suit the needs of the society
- 2. To revive the culture and find arts which are about to extinct
- 3. To preserve the rich traditions of society

# **39.** Future plans of the department.

- 1. To create opportunities by training students to be job ready to meet out the challenges of this competitive contemporary society.
- 2. To improve the infrastructure by acquiring Government Aid like PG grant and other grants from UGC.

# 7. DEPARTMENT OF MATHEMATICS

- 1. Name of the Department<br/>Year of establishment: MATHEMATICS<br/>: 1964
- 2. Names of Programmes/Courses offered (UG, PG, M. Phil . ,Ph.D., Integrated Masters, Integrated Ph. D., etc.
  - UG -B. Sc Mathematics
  - PG -M. Sc Mathematics
  - M. Phil -Mathematics (Full Time & Part Time)
  - Ph. D -Mathematics (Full Time & Part Time)
- **3. Interdisciplinary courses and departments involved** Nil
- 4. Annual/ semester / choice based credit system Choice Based Credit system (semester)
- **5. Participation of the department in the courses offered by other departments.** The department offers allied courses for physics, chemistry, computer science and Statistics Departments.
- 6. Number of teaching post sanctioned and filled (professors/Associate Professors/ Asst.Professors)

| Position             | Sanctioned | Filled |

# 28. Number of students of the department getting financial assistance from the college

All eligible students from the respective BC/MBC/DNC/SC/ST category are getting financial assistants from the college in the form of Scholarship provided by social welfare department of Tamil Nadu State Government.

29. Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology Nil

# 30. Does the department of obtain feedback from student - Yes

a. Faculty on curriculum as well as teaching-learning-evaluations? If yes, how does the department utilize it?

Yes, the department obtain feedback from the faculties on curriculum as well as Teaching-learning-evaluations.

After through examinations, based on feedback on curriculum, modifications are carried out in the syllabic at board of studies meeting and are done consultations with the subject experts usually invited from universities.

Department also obtain feedback from Faculties on teaching-learning-evaluation Processes. Based on the opinions and suggestions given by the faculties, changes in the teaching methods/processes are effected for the benefit of the student.

b. Students on staff, curriculum as well as teaching -learning - evaluation and what is the response of the department to the same?

Yes, The department obtains feedback from on staff, curriculum and teaching learning -evaluation through questionnaire and by discussion. In accordance with the opinions and concrete given by students, modifications in the syllabi is carried out, if necessary. The faculties are also instructed to follows the effective method of teaching so as to suit the need of the students.

c. Alumni and employers on the programmes and what is the response department to the same?

The department also keep in touch with the Alumni and employers and get their opinions on the utility of the programme. Their concrete suggestions are carefully considered and necessary steps are taken to maximize the application of the programme which widens its scope as well.

# **31.** List the distinguished alumni of the department (maximum 10)

- **1.** Dr. S. Murthy - Assistant professor in Maths GACM - Krishnagiri -Assistant Professor in Maths GAC - Krishnagiri **2.** Dr. Eswariprem **3.** Mr. C. Murugesan - Assistant Professor in Maths GACM - Krishnagiri 4. Dr. N. Magesh -Assistant Professor in Maths in GACM- Krishnagiri **5.** Mr. Ramasamy CEO -Karur **6.** Ms. D. Kayalvizhi -Assistant Professor, GAC- Dharmapuri 7. Ms. Baby
  - Assistant Professor GAC (W) Salem
- 8. Dr. A. Ganesh - Assistant Professor, GAC- Kumbakkonam
- 9. Dr. Preemela - Assistant Professor, Hosur
- **10.** Mr. Salma - PG Teacher, Govt Hr. Sec. School

# 32. Give details of students enrichment programme (special lectures/ workshops /seminars) with external experts.

One invited talk /special lecture conducted for faculty students

33. List the teaching methods adopted by the faculty for different programmes. Power Point Presentation for study materials, Chalk and Talk method

# 34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?

There is no such activity followed in the department so far.

# **35.** Highlight the participations of students and faculty in extension activities. Student participation:

NSS, YRC, RRC, Consumer Forum, Fine Arts & Performing Arts, Sports and Games

# **36.** Give details of "beyond syllabus scholarly activities" of the department. Nil

**37. State whether the programme /department is accredited / graded by other agencies.** Nil

#### 38. Details any five strengths, Weaknesses, Opportunities and Challenges (SWOC) of the Department: Strengths

- 1. Best tutoring / lecture will be provided by the staff members
- 2. Study material will be provided for students for every subject and for every semester
- 3. Presence of well qualified staff
- 4. Coaching classes for slow learners
- 5. Efficient research guidance from the staff

# 8. DEPARTMENT OF PHYSICS

| 1. | Name of the Department | : PHYSICS |  |  |
|----|------------------------|-----------|--|--|
|    | Year of establishment  | : 1979    |  |  |

- 2. Names of Programmes / Courses offered (UG, PG, M.Phil., Ph.D., Integrated Masters, Integrated Ph. D., etc.)
  - UG B.Sc Physics
  - PG M.Sc Physics
  - M.Phil Physics
  - Ph. D Physics
- 3. Interdisciplinary courses and departments involved Nil
- 4. Annual / semester/choice based credit system Choice Based Credit System (Semester)
- **5.** Participation of the department in the courses offered by other departments. Chemistry and Mathematics – Allied

Chemistry - Non – Major Elective

6. Number of teaching post sanctioned and filled (Professors / Associate professors/ Asst. Professors)

| Position             | Sanctioned | Filled |
|----------------------|------------|--------|

# 33. List the teaching methods adopted by the faculty for different programmes.

- Lecture Method
- OHP Presentations
- Power point presentations
- 4 Chalk and Talk Method
- **L** Demonstration Method
- Group Discussion

34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?

Students seminars, Assignments, Group discussion, Quiz, Periodical Objective type tests and Model Exams.

#### **35.** Highlight the participation of students in extension activities.

- > NSS -18 students were enrolled
- ➢ YRC 20 students were enrolled
- RRC 18 students were enrolled
- Consumer club 25 students were enrolled
- ➢ Fine Arts 10 students were enrolled
- ➢ Sports and Games − 9 students were enrolled
- Student's community service 42 students were enrolled

#### Highlight the participation faculty in extension activities

- Mr. S. Sundaram NACC coordinator, IQAC coordinator, College Anti -ragging committee member
- Miss. G. Vijayakumari Department library in-charge
- > Dr. R. Robert College Placement Officer
- **36.** Give details of "beyond syllabus scholarly activities" of the department. Nil
- **37. State whether the programme / department is accredited / graded by other agencies.** Nil

# **38.** Detail any five Strengths, Weaknesses, Opportunities and Challenges (SWOC) of the Department:

#### Strengths

- 1. Conduct of Coaching class for slow learners
- 2. Qualified & dedicated staff members.
- 3. Well equipped laboratories & sufficient infrastructure.
- 4. Research Laboratory with equipment for Crystal growth & Nano science research
- 5. Conduct of special training for SLET/NET and Competitive examinations.

#### Weaknesses

Lacking of research activities:

- 1. in conducting National level seminars and symposium and workshops.
- 2. of arranging education tour and industrial visit.
- 3. of getting major and minor projects from funding agencies.
- 4. of non-teaching staff.

# **Opportunities**

- 1. Industrial Collaborations in teaching and training for students and faculty.
- 2. Conducting campus interview for final year UG/PG students.
- 3. Quality enhancement of faculty teaching and research.
- 4. Development of e-modules conduct of virtual classes.
- 5. To enhance the employability skills of the post graduate students.

# Challenges

- 1. To capture the attention of students of "Generation Next" in the classroom through appropriate teaching pedagogy.
- 2. To enable students appreciate and imbibe the societal relevance of the concepts that they study in classroom through innovative teaching methods.
- 3. To balance the differences among the students in class who come from varied curricular background such as;
  - a. Level of schools (Matriculation school, govt. school, rural and urban, etc)
  - b. Medium of learning and
  - c. Mode of learning.
- 4. To develop communication skill among the students.
- 5. To establish students grievance readressal cell.

# **39.** Future plans of the department.

- 1. Establishing science forums.
- 2. Motivating the students to take part in national and international seminar/symposium/ workshop and conferences.
- 3. Constituting research laboratories.
- 4. Publishing syllabus oriented books.
- 5. Conducting job oriented training.

# **DEPARTMENT OF CHEMISTRY**

| 1. | Name of the Department | : CHEMISTRY   |  |
|----|------------------------|---------------|--|
|    | Year of Establishment  | : 2003 – 2004 |  |

2. Names of programmes/Courses offered (UG, Ph.D, Integrated Masters, Integrated Ph.D., etc.)

UG - B. Sc CHEMISTRY

PG - MSc CHEMISTRY

- **3. Interdisciplinary courses and departments involved** NIL
- 4. Annual/Semester/choice based credit system Choice Based Credit System (Semester)
- **5.** Participation of the department in the courses offered by other departments. Allied physics, Maths, Botany, Zoology, Non-core Elective to physics.
- 6. Names of teaching position sanctioned and filled (Professors/Associate Professors/Assistant Professors)

| Position             | Sanction | Filled |
|----------------------|----------|--------|
| Professors           |          | -      |
| Associate Professors | 11       | 02     |
| Assistant Professors |          | 03     |

| Name               | Qualification          | Designation            | Specialization | No. of<br>Years in<br>Experi<br>ence | No. of<br>Ph. D /<br>M. Phil<br>guided for<br>the last 4<br>years |

# **22. Diversity of students**

# 23. How many students have cleared Civil services, Defense services, NET, SLET, GATE and any other competitive examinations:

| NET                     | -NIL |
|-------------------------|------|
| SLET                    | -NIL |
| <b>Defense Services</b> | -NIL |
| Other Services          | - 05 |

# 24. Student progression

| Student progression             | Percentage against enrolled |
|---------------------------------|-----------------------------|
| UG to PG                        | 19%                         |
| Employed                        |                             |
| Campus selection                | NIL                         |
| > Other than campus recruitment | 05 Students                 |
| Entrepreneurs                   | NIL                         |

# 25. Diversity of staff

| Percentage of faculty who are graduates of the same parent university | NIL |
|---|-----|
| From other universities within the state                              | 80% |
| From other universities from other states                             | 20% |

# 26. Number of faculty who were awarded Ph.D., D. Sc., and D. Lit during the assessment period. 01

# 27. Present details about infrastructure facilities

| a) | Library                                    | - Available – 2123 books |
|----|--|--------------------------|
| b) | Internet facilities for staff and students | - available              |
| c) | Total number of class rooms                | - 03                     |
| d) | Class rooms with ICT facility              | - NIL                    |
| e) | Students laboratories                      | - 03                     |
| f) | Research laboratories                      | - Nil                    |
|    |  |                          |

- **28.** Number of students of the department getting financial assistance from the college The students are getting the scholarship from Govt. through college
- **29.** Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology. -NIL

# **30. Does the department obtain feedback form** -NO

- **31.** List of distinguished alumni of the department (maximum 10): NIL
- 32. Give details of students enrichment programmes (special lectures/workshops/seminars) with external experts- NIL

# 33. List the teaching methods adopted by the faculty for different programmes

- ↓ Lecturer method
- **4** Chalk and Talk Method
- Hands on training in Lab
- 34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?

**Tutorial Method** 

- **35. Highlight the participation of students and facility in extension activities** Students participation in NSS, YRC, Sports, Games, Consumer Forum, Fine Arts, Performing Arts.
- 36. Give details of "beyond syllabus scholarly activities" of the department. NIL
- **37.** State whether the programme/department is accredited/graded by other agencies NIL

38. Detail any strengths, Weakness, Opportunities and Challenges (SWOC) of the department.

# Strengths:

- 1. UG/PG programme chemistry was highly competitive in this region.
- 2. Highly qualified and experienced faculties

# Weakness:

- 1. Need four more teaching staff
- 2. Need three lab assistant
- 3. Need four UG & PG lab and class rooms
- 4. Need one seminar hall

# **Opportunities**

- 1. Higher studies
- 2. Guidance to competitive exams
- 3. Including employments
- 4. Entrepreneurship.

# Challenges

- 1. Financial constraint
- 2. Language proficiency
- 3. Transport facilities
- 4. Employment opportunities
- 5. Socio-economic status

# **39.** Future plans of the department

1. To built new chemical laboratory for research and development.

- 2. Faculty members have proposes in their progress to get major Projects from the funding agency.
- 3. To encourage and guide PG students to clear GATE, CSIR, -NET and SLET Examinations.
- 4. To counsel UG students to join PG and integrated Ph.D Programmes.
- 5. To encourage students become an entrepreneur.

# **DEPARTMENT OF COMPUTER SCIENCE**

- 1. Name of the Department<br/>Year of establishment: Computer Science<br/>: 1999
- 2. Name of Programmes/Courses offered (UG,PG., Intergrated Masters, Intergrated PG., etc)
  - UG B.Sc Computer Science (Two shifts are offered)
  - PG -M.Sc Computer Science
- **3. Interdisciplinary courses and departments involved** Non Major Elective Course offered.
- 4. Annul/Semester/Choice based credit system Choice Based Credit System (Semester)
- **5.** Participation of the department in the courses offered by other departments. Non major course in Mathematics Department
- 6. Number of teaching post sanctioned and filled (Professors/Associate Professors/Asst. Professors)

| Position             | Sanctioned | Filled |
|----------------------|------------|--------|
| Professors           |            | Nil    |
| Associate Professors | 6          | Nil    |
| Assistant Professors |            | 4      |

7. Faculty profile with name, qualification, designation, specialization (D.Sc./D.Litt./Ph. D, M. Phil, etc.,)

| Name      | Qualification      | Designation                       | Specialization    | No. of<br>years<br>Experi<br>ence | No. of Ph.D.,<br>Students<br>guided for<br>the last 4<br>years |
|-----------|--------------------|-----------------------------------|-------------------|-----------------------------------|--|
| Mr.D.Raja | M.Sc.,<br>M.Phil., | Assistant<br>Professors &<br>Head | RDMBS<br>and OOAD | 17                                | Nil  |

| Entrepreneurs  | Nil                         |

# 25. Diversity of staff

| Percentage of faculty who are graduates of the same parent university |      |
|---|------|
| From other universities within the State                              | 100% |
| From other universities from other States                             |      |

# 26. Number of faulty who were awarded Ph.D., D.Sc., and D.Litt. during the assessment period

Nil

# 27. Present details about infrastructural facilities

| a) Library                                    | : Available - 1577 |
|---|--------------------|
| b) Internet facilities for staff and students | : Available        |
| c) Total number of class rooms                | : 5                |
| d) Class rooms with ICT facility              | :1                 |
| e) Student's laboratories                     | : 2                |
| f) Research laboratories                      | : Nil              |

# **28.** Number of students of the department getting financial assistance from the college. BC/MBC/ST students are getting financial assistance from the State Government.

# 29. Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology Nil

- **30.** Does the department obtain feedback from
  - a. Faculty on Curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize it?

Department obtain feedback from staff on teaching- learning- evaluation processes. Based on the opinions and suggestions given by them the changes in teaching methods are informed to board of studies of Periyar University, Salem.

**b.** Students on staff. Curriculum as well as teaching-learning-evaluation and what is the response of the department to the same?

Yes. The department obtains feedback from students on staff, through questionnaire and by discussion. In accordance with the suggestions given by students, the faculties are instructed to follow the effective method of teaching to suit the need of the students.

c. Alumni and employers on the programmes and what is the response of the department to the same?

The department also keeps in touch with the Alumni and gets their opinion on the utility of the programme.

# **31.** List the distinguished alumni of the department (maximum 10)

| R. Udaya Kumar   | - WIPKO                  |
|------------------|--------------------------|
| G. Nandha Kumar  | - WIPRO                  |
| D. ArulKumar     | - Hyundai Motors Chennai |
| V. S. Umashankar | - Accenture, Bangalore.  |

32. Give details of student enrichment programmes (Special lectures / workshops/seminars) with external experts. Nil

- **33. List the teaching methods adopted by the faculty for different programmes.** LCD projector and Smart Board
- **34. How does the department ensure that programme objective are constantly met and learning outcomes monitored?** Nil
- 35. Highlight the participation of students and faculty in extension activities.
   Mrs. S. Celine N.S.S Programme officer.
   First and Second year U.G students are actively participated in NSS, YRC and RRC.
- **36.** Give details of "beyond syllabus scholarly activities" of the department Nil
- **37. State whether the programme/department is accredited/graded by other agencies.** Nil

# **38.** Detail any five Strengths, Weaknesses, Opportunities, and Challenges (SWOC) of the Department

#### > Strengths

- 1. Two computer lab with 50 computers of latest configuration and one server.
- 2. Spacious class rooms with good ventilation.
- 3. Experienced teaching staffs selected through Teachers Recruitment Board.
- 4. ICT academy classes were oraganized for the CS students exclusively.
- 5. Modern Teaching aids like LCD Projectors and Smart Board.

#### > Weaknesses

- 1. Shortage of regular staff and laboratory staff.
- 2. No research programme.
- 3. No funded major/ minor research projects.
- 4. Less number of placements.
- 5. Less number of Journals.

#### > **Opportunities**

- 1. Strengthening of campus interviews for CS-students
- 2. Start the Job and carrier oriented short term programmes.

#### > Challenges

- 1. Student intake from rural and remote areas of the district.
- 2. Inculcation of moral values among students.
- 3. Strict adherence to academic calendar.
- 4. Students are coming from the Tamil Medium and not able to cope with the present curriculum.
- 5. To learn latest technologies.

#### **39.** Future plans of the department

- 1. To start M.Phil and Ph.D Courses.
- 2. Plan to increase intake for B.Sc. Computer Science.
- 3. To conduct national level workshop and conferences.
- 4. To apply minor and major research projects.
- 5. To conduct intercollegiate symposium.

#### **DEPARTMENT OF BOTANY**

- 1. Name of the Department: BOTANYYear of establishment: 1971
- 2. Names of Programmes / Courses offered (UG, PG, M.Phil., Ph.D., Integrated Masters, Integrated Ph. D., etc.)

UG : B.Sc Botany

PG : M.Sc Botany

M.Phil : Botany

Ph.D : Botany

- 3. Interdisciplinary courses and departments involved Nil
- 4. Annual / semester/choice based credit system Choice Based Credit System (Semester)
- **5. Participation of the department in the courses offered by other departments.** One of the Allied Botany courses is offered by this department to B.Sc., Zoology students
- 6. Number of teaching post sanctioned and filled (Professors / Associate professors/ Asst. Professors)

| Position             | Sanctioned | Filled |
|----------------------|------------|--------|
| Professors           | 12         | Nil    |
| Assistant Professors |            | 8      |

7. Faculty profile with name, qualification, designation, specialization (D.Sc. / D.Litt. / Ph.D / M.Phil, etc.,)

| Name                   | Qualification            | Designation             | Specialization   | No. of<br>years<br>Experience |
|------------------------|--------------------------|-------------------------|--|-------------------------------|
| Dr. Murugan            | M.Sc., M.Phil.,<br>Ph.D. | Assistant<br>Professors | Microbiology   | 15                            |
| Mr. D.Munisamy         | M.Sc., M.Phil            | Assistant<br>Professors | Plant Physiology &<br>Biochemistry,                        | 14                            |
| Dr.G.V.Kumar           | M.Sc., Ph.D.             | Assistant<br>Professors | Biodiversity,<br>Molecular Biology,<br>Plant Biotechnology | 13                            |
| Mr.T. Kumaran          | M.Sc., M.Phil.           | Assistant<br>Professors | Plant Pathology  | 12                            |
| Dr.N.Ramesh            | M.Sc., Ph.D.             | Assistant<br>Professors | Plant Biotechnology &<br>Drug Discovery                    | 16                            |
| Dr.V.Mahesh            | M.Sc., Ph.D.             | Assistant<br>Professors | Soil Microbiology  | 12                            |
| Dr.M.J.Abdul<br>Hameed | M.Sc., Ph.D.             | Assistant<br>Professors | Plant Physiology &<br>Biochemistry,                        | 4                             |
| Dr.T.Gouthaman         | M.Sc., Ph.D.             | Assistant<br>Professors | Plant Biotechnolgy   | 4                             |

8. Percentage of class taken by temporary faculty – programme-wise information

UG - 33%

- PG 33%
- **9. Programme-wise Student Teacher Ratio** 13:1
- **10.** Number of academic support staff (technical) and administrative staff : (Sanctioned and filled)

| Technical staff  | Sanctioned | Filled |
|------------------|------------|--------|
| Lab assistant    | 2          | Nil    |
| Herbarium Keeper | 1          | Nil    |
| Store Keeper     | 1          | Nil    |

- 11. Number of faculty with ongoing projects from a) National b) International funding agencies and c) Total grants received. Mention names of funding agencies and grants received project wise Nil
- **12. Departmental projects funded by DST-FIST; DBT, ICSSR etc; total grants received** Nil

#### 13. Research facility / centre with

- 4 State recognition Nil
- National recognition
- 4 International recognition Nil

#### **14. Publications:**

Number of papers published in peer reviewed journals (national / international)

| National Level                                     | : 24  |
|--|-------|
| International level                                | :46   |
| Monographs   | : 3   |
| Chapter (s) in Books                               | : 8   |
| Editing Books                                      | : Nil |
| Books with ISBN numbers with details of publishers | : 5   |

Number listed in international Database (for e.g. Web of Science, Scopus,

Humanities International complete, Dare Database – International Social

: Nil

| Sciences Directory, EBSCO host, etc.) | : Nil |
|---------------------------------------|-------|
| Citation Index – range / average      | : 170 |

**SNIP** 

| SJR   | : Nil |
|---|-------|
| Impact factor – range / average               | : 35  |
| h-index                                       | : 50  |
| 15. Details of patents and income generated   | : Nil |
| 16. Areas of consultancy and income generated | : Nil |

#### **17. Faculty recharging strategies**

- **4** Attending/ Participating in
- 4 Orientation courses
- **4** Refresher courses
- **4** Conferences
- Field trips etc.,

#### **18. Students projects**

Percentage of students who have done in-house projects including interdepartmental 100%

Percentage of students doing projects in collaboration with industries / institutes Nil

#### 19. Awards / recognitions received at the national and international level by

| Faculty               | : Nil |
|-----------------------|-------|
| Doctoral              | : Nil |
| Post doctoral fellows | : Nil |
| Students              | :     |

| S. Sabari       | PG | 2014-2015 | Periyar University 4 <sup>th</sup> rank |
|-----------------|----|-----------|---|
| C. Chris Quency | PG | 2012-2013 | Periyar University 2 <sup>nd</sup> rank |
| M. Kanniyappin  | UG | 2012-2013 | Periyar University 7 <sup>th</sup> rank |
| D. Subashini    | PG | 2009-2010 | Periyar University 3 <sup>rd</sup> rank |

## 20. Seminars / Conferences / Workshops organized and source of funding (national / international) with details of outstanding participants, if any.

One National Seminar on 'New Dimension on Botanica' S

21. Student profile course – wise:

| Name of the course    | Application | Sel  | ected  | Pass       |
|-----------------------|-------------|------|--------|------------|
| (refer question no.2) | received    | Male | Female | Percentage |
| UG                    |             | 34   | 14     | 56         |
| PG                    | 36          | 5    | 7      | 63         |
| M.Phil                | 15          | 3    |        | 100        |
| Ph.D.                 |             |      |        |            |

| M.Phil                                   | 90 %                                 | 100%                            | NIL                                  | NIL                            |

#### 22. Diversity of Students

# 23. How many students have cleared civil services, Defense services, NET, SLET, GATE and any other competitive examinations?

| NET              | : N1l |
|------------------|-------|
| SLET             | : Nil |
| Defence Services | : Nil |
| Other Services   |       |
| TNPSC            | : 20  |
| TET              | : 2   |
| TRB              | : 25  |
|                  |       |

#### 24. Student Progression

| Student progression           | Percentage against enrolled |
|-------------------------------|-----------------------------|
| UG to PG                      | 30%                         |
| PG to M.Phil.                 | 10%                         |
| PG to Ph.D.                   | 4%                          |
| Ph.D. to Post-Doctoral        |                             |
| Employed                      | 8%                          |
| Campus selection              |                             |
| Other than Campus recruitment |                             |
| Entrepreneurs                 | 20%                         |

#### 25. Diversity of staff

| Percentage of faculty who are graduates of the same parent university | 2   |
|---|-----|
| From other universities within the State                              | 6   |
| From other universities from other States                             | NIL |

# 26. Number of faculty who were awarded Ph.D., D.Sc., and D.Litt. during the assessment period.

NIL

#### 27. Present details about infrastructural facilities

- a) Well equipped Library with 2508 Books
- b) Internet facilities for staff and students
- c) Total number of class rooms
- d) Class rooms with ICT facilitye) Students' laboratoriesi 2
- f) Research laboratories : 3
- **28. Number of students of the department getting financial assistance from the college** All students (176) of the Department get Government Scholarship through college

: 5

**29.** Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology Nil

#### **30. Does the department obtain feedback from**

a. Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize it?

Curriculum is decided by the university, three years once expert committee evaluate and modify the curriculum to be taught in the colleges.

In department meetings feedback from faculties on teaching learning-evaluation processes is obtained and considering the benefits of students, suggestions are implemented and followed

**b.** Students on staff, curriculum as well as teaching-learning-evaluation and what is the response of the department to the same?

Yes. The department obtains feedback from students on staff, curriculum and teaching-learning-evaluation through questionnaire and by discussion. In accordance with the opinions and concrete suggestions given by students, will be discussed in department meeting and necessary steps are adopted.

c. Alumni and employers on the programmes and what is the response of the department to the same?

The departments also keep in touch with the Alumni and employers and get their opinions on the utility of the programme. Their concrete suggestions are carefully considered and necessary steps are taken to maximize the applications of the programme which widens its scope as well.

#### **31.List the distinguished alumni of the department (maximum 10)**

Mr. K. Ananthan, District Municif Judge, District Court, Krishnagiri

Dr. C.Periasamy, Principal, Govt Arts College, Krishnagiri

Dr. M.B. Vishvanathan, Prof. and Head, Dept. of Plant Science, Bharathidasan University Trichy

Dr. G. Prabhakaran, Asst. Professor of Botany, Govt. Arts College, Dharampuri

Mr. D. Mani, Correspondent, Bharth International Schools, Krishnagiri

Mr. S. Gopidoss, Chief Educational Officer, Namakkal

Mrs. N. Sumathi Asst. Educational officer, Krishnagiri

Mr. D. Munisamy, Asst. Prof. and Head Dept. of Botany, Govt. Arts College (Men), Krishnagiri

Mr. T. Kumuran, Asst. Prof. Dept. of Botany, Govt. Arts College (Men), Krishnagiri

### **32.** Give details of student enrichment programmes (special lectures/ workshops / seminars) with external experts.

Conducted a National Level on Recent Trends in Bioactive Substances – March 2013, Sponsored By UGC Conducted a State level Training Programe for Farmers, School Students and Self Help people. Sponsored by Tamilnadu State Government. Botany Association conducts special lectures periodically

#### 33. List the teaching methods adopted by the faculty for different programmes.

Chalk and Talk Method

Power point presentation

Lecture method

Field visits

Using various teaching aids like OHP, Slide projector, charts, slides, models etc.

Hands on Training in Laboratory

### **34.How does the department ensure that programme objectives are constantly met and learning outcomes monitored?**

Assignment, Discussion, Quiz, Class tests, Model Exams and Seminars

### **35.Highlight the participation of students and faculty in extension activities. Staff Participation:**

Mr. D.Munismay, Co-ordinator Consumer Forum since 2013

Dr. G.V.Kumar Youth Red Cross, College Programme Officer since 2011

Dr. G.V.Kumar Youth Red Cross, Krishnagiri District Organizer since 2011

Dr. G.V.Kumar, Treasurer, Partent Teachers Association

Mr. T.Kumaran Fine Arts Co-ordinator since 2013.

Mr. T.Kumaran Seceretary, Alumini association

#### **Student Participation:**

NSS, YRC, RRC, Junior Chambers International, LEO Club, Consumer Forum, Fine Arts & Performing Arts, Sports and Games.

#### 15. Give details of "beyond syllabus scholarly activities" of the department.

- 4 Periodical visits to Herbal Gardens, Nurseries, Horticultural farms, Sericulture labs,
- Educational trip for 4 to 5 days every year as per their curriculum for taxonomical and ecological study in various forest vegetations and study and collection of algal marine forms in coastal areas
- 4 Inviting experts in different fields to deliver invited lectures in regular intervals
- 4 Involving students in taking part in seminars, workshop and training programs
- Students are made to involve in gardening, cultivate medicinal plants and know their medicinal value.

# **16.** State whether the programme / department is accredited / graded by other agencies. Nil

# **17. Detail any five Strengths, Weaknesses, Opportunities and Challenges** (SWOC) of the Department:

#### Strengths

- 1. Highly qualified and dedicated Faculty members
- 2. Well equipped library and easy access to students
- 3. Well established lab, with good infrastructure
- 4. Collection of good number of scientific Journals and also access to e-journals
- 5. Well established botanical garden

#### Weaknesses

- 1. Students are from rural back ground
- 2. Students weak in English communication
- 3. Lack of technical support staff
- 4. Faculties keep on changing due to transfer
- 5. Lack of exposure to students

### **DEPARTMENT OF ZOOLOGY**

| 1. | Name of the Department | : ZOOLOGY |
|----|------------------------|-----------|
|    | Year of Establishment  | : 1971-72 |

- 2. Names of programmes/Courses offered (UG, PG, M.Phil, Ph.D, Integrated Masters, Integrated Ph.D., etc.)
  - UG B.Sc Zoology
  - PG M.Sc Zoology
  - M.Phil Zoology
  - Ph.D Zoology
- **3.** Interdisciplinary courses and departments involved Tamil, English, Chemistry and Botany

- 4. Annual/Semester/choice based credit system Choice Based Credit System (Semester)
- **5. Participation of the department in the courses offered by other departments.** The department offers one of the allied subjects to the department Chemistry and Botany.
- 6. Names of teaching position sanctioned and filled (Professors/Associate Professors/ Assistant Professors)

| Position             | Sanction | Filled |
|----------------------|----------|--------|
| Professors           |          | NIL    |
| Associate Professors | 11       | 1      |
| Assistant Professors |          | 6      |

7. Faculty profile with name, qualification, designation, specialization (D.Sc./ D.Litt./ Ph.D, M.Phil, etc.,)

| Name                    | Qualificatio<br>n                               | Designat<br>ion        | Specializatio<br>n        | No. of<br>Years in<br>Experi<br>ence | No. of<br>Ph.D/<br>M.Phil<br>guided for<br>the last 4<br>years |

### 20. Seminars/Conferences/Workshops organized and source of funding (National/International) with details of outstanding participants, if any.

One day National Seminar on Recent Trends in Biological Sciences (NSBS-2015) conducted with self source funding on 26<sup>th</sup> August- 2015.

### **Participants:**

#### **Invited Lectures**

- Dr. K. Altaff- Former Principal & Head, Principal Investigator, Unit of Reproductive Biology & Live Feed Culture, Research Department of Zoology, The New College, Chennai-14
- 2. Dr. MASTAN- Associate Professor, Dept. of Biotechnology, Dravidian University, Kuppam (AP).
- 3. Dr. PANNEERSELVAM- Associate Professor, Department of Zoology, Thiruvalluvar University, Vellore 632115.
- 4. Dr. SANTHANAM- Assistant Professor, Marine Planktonology & Aquaculture Laboratory, Department of Marine Science, Bharathidasan University, Tiruchirappalli-620 024.
- 5. Dr. N. RAJENDRAN- Assistant Professor, Dept. of Zoology, Govt. Arts College, C.Mutlur, Chidambaram.
- 6. Dr. A. KRISHNAVENI- Assistant Professor (ENS), Regional Research Station, Tamil Nadu Agricultural University, Paiyur - 635 112, Krishnagiri Dt.

| Name of the Course | Application | Sel  | ected  | Pass       |

| <b>Defense Services</b> | -25                     |
| Other Services          | - Govt. Teachers -10    |
| Police Services         | -12                     |
| TNPSC                   | -05                     |
|                         |                         |

#### 24. Student progression

| Student progression                             | Percentage against enrolled |
|---|-----------------------------|
| UG to PG  | 75%                         |
| PG to M.Phil                                    | 50%                         |
| PG to Ph.D                                      | -                           |
| Ph.D to post Doctoral                           | Nil                         |
| Emlpoyed  |                             |
| <ul><li>Campus selection</li></ul>              | 10%                         |
| <ul><li>Other than campus recruitment</li></ul> | 50 %                        |
| Entrepreneurs                                   | NIL                         |

#### 25. Diversity of staff

| Percentage of faculty who are graduates of the same parent university | NIL  |
|---|------|
| From other universities within the state                              | 100% |
| From other universities from other states                             | NIL  |

# 26. Number of faculty who were awarded Ph.D., D.Sc., and D.Litt during the assessment period.

NIL

#### 27. Present details about infrastructure facilities

| oks |
|-----|
|     |
|     |
|     |
|     |
|     |
|     |

- **28.** Number of students of the department getting financial assistance from the college The students are getting the scholarship from Govt. through college 110
- 29. Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology. NIL

#### **30.** Does the department obtain feedback from

a) Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize it?

Yes, the Department obtains feedback from faculties on curriculum as well as teaching-learning evaluation.

After thorough examination based on feedback on curriculum, modification are carried out in the syllabi at board of studies meeting and is done in consultation with the subject experts usually invited from various universities.

Department also obtain feedback from faculties on teaching- learning evaluation processes. Based on the opinion and suggestions given by the faculties, changes in the teaching methods/ processes are effected for the benefit of the students.

b) Students on staff, curriculum as well as teaching-learning-evaluation and what is the response of the department to the same?

Yes, the department obtains feedback from students on staff, curriculum and teaching –learning evaluation through questionnaire and by discussion. In accordance with the opinion and concrete suggestion given by students, modification in the syllabi is carried out if necessary. The faculties are also instructed to follow the effective methods of teaching so as to suit the need of the students.

## c) Alumni and employers on the programmes and what is the response of the department to the same?

The department also keep in touch with the Alumni and employers and get their opinion on the utility of the programme. Their concrete suggestions are carefully considered and necessary steps take to maximize the applications of the programme which widen its scope as well.

#### 31. List of distinguished alumni of the department (maximum 10)

- 1. Dr. D. Manivelu Assistant Professor, Govt. Arts College (Men), Krishnagiri
- 2. Dr. Karunakaran Professor, Periyar University, Salem
- 3. Mr. M. Gurulingam Scientist- SERDIA, Mumbay
- 4. Mr. Devaraj- Conservator TN, Forest Department, Dharmapuri
- 5. Mr. Vediyappan- PGT in Zoology, Kaveripattinam
- 6. Mrs. G. Santhi- HM, Primary School, Pananthoppu
- 7. Mr. Sivaraj- PGT in Zoology, Palacodu
- 8. Mr. Mahavishnu- Officer- Shangameswarar Temple, Bhavani

## 32. Give details of students enrichment programmes (special lectures/workshops/seminars) with external experts

One day Seminar on Recent trends in Biological Science- Participated by students.

33. List the teaching methods adopted by the faculty for different programmes

Lecture method Chalk and Talk Method LCD (AV) Method Field Visit Power Point Presentations Hands on training in Lab

34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?

The department offers self- employment orientation like Apiculture, Vermiculture, Aquaculture, Sericulture and Clinical Lab technology in the curriculum.

Employment status of outgoing students is monitored. From the observation it has been learnt that many are comfortably placed in various employments.

### **35.** Highlight the participation of students and facility in extension activities

Students participation in NSS, RRC, YRC, Sports, Games, Various Clubs, Consumer Forum, Fine Arts, Performing Arts and population clubs.

36. Give details of "beyond syllabus scholarly activities" of the department.

The department has ZOOLOGY ASSOCIATION through which programmes like AIDS awareness, SWOT analysis, goal setting, Self employment, entrepreneurship, and resume writing are done

37. State whether the programme/department is accredited/graded by other agencies – NIL

## **38.** Detail any strengths, Weakness, Opportunities and Challenges (SWOC) of the department.

#### Strengths:

- 1. Qualified staff with SLET and Ph.D
- 2. Well equipped lab with PCR
- 3. Good department library with more than 4000 books
- 4. Good Museum with more than 1000 specimens
- 5. Well constructed Aquaculture facilities
- 6. Well constructed Vermicompost pits.

#### Weakness:

- 1. Need four more teaching staff
- 2. Need three lab assistant
- 3. Need four UG & PG lab and class rooms
- 4. Need one seminar hall
- 5. Need one animal room
- 6. Need one well furnished research lab

#### **Opportunities**

Starting self employment – Orientation courses like Poultry farming, Vermi composting, Clinical Methodology etc.,

#### Challenges

- 1. Need updates in the field of Cancer biology
- 2. Protein Engineering, Genetic Engineering, Bioinformatics and Nano technology

#### **39.** Future plans of the department

- 1. To start New courses like Bio technology, Bio chemistry at UG and PG levels.
- 2. To establish contacts with Agro based industries.
- 3. To establish contacts with Veterinarian about to know live stock animals.
- 4. To organize seminars and workshops with distinguished findings.
- 5. To make field visits to places of Zoological Parks and Museums.
- 6. To start Own clinical lab in this department.

### DEPARTMENT OF MICROBIOLOGY

- 1. Name of the Department<br/>Year of Establishment: MICROBIOLOGY<br/>: 2003 2004
- 2. Names of programmes/Courses offered (UG, Ph. D, Integrated Masters, Integrated Ph. D., etc.) UG- B. Sc Microbiology
- 3. Interdisciplinary courses and departments involved Tamil, English, Bio-Chemistry, Bio-Stat (Math's), Computer Science, Botany and Zoology
- 4. Annual/Semester/choice based credit system Choice Based Credit System (Semester)
- **5.** Participation of the department in the courses offered by other departments. The department offers one of the allied subjects to the department Computer Science, Math's (bio-Stat) and Non-Major subject Botany and Zoology.
- 6. Names of teaching position sanctioned and filled (Professors/Associate Professors/ Assistant Professors)

| Position             | Sanctioned | Filled        |
|----------------------|------------|---------------|
| Professors           | -          | -             |
| Associate Professors | -          | -             |
| Assistant Professors | 4          | 1 – Regular   |
|                      |            | 2 – Temporary |

7. Faculty profile with name, qualification, designation, specialization ( D. Sc, / D. Lit, / Ph. D, M. Phil, etc., )

| Name                  | Qualification            | Designat<br>ion          | Specialization   | No. of Years<br>in<br>Experience | No. of Ph. D /<br>M. Phil guided<br>for the last<br>4 years |

#### 24. Student progression:

| Student progression                             | Percentage against enrolled |
|---|-----------------------------|
| UG to PG  | 85%                         |
| Employed  |                             |
| Campus selection                                | 5%                          |
| <ul><li>Other than campus recruitment</li></ul> | 60 %                        |
| Entrepreneurs                                   | NIL                         |

#### 25. Diversity of staff

| Percentage of faculty who are graduates of the same parent university | NIL  |
|---|------|
| From other universities within the state                              | 100% |
| From other universities from other states                             | NIL  |

# 26. Number of faculty who were awarded Ph.D., D. Sc., and D. Lit during the assessment period.

NIL

#### 27. Present details about infrastructure facilities

| a. | Library                                    | - Available – 270 books       |
|----|--|-------------------------------|
| b. | Internet facilities for staff and students | - available for staff members |
| c. | Total number of class rooms                | -2                            |
| d. | Class rooms with ICT facility              | - NIL                         |
| e. | Students laboratories                      | - 1                           |
| f. | Research laboratories                      | - Nil                         |
|    |  |                               |

**28.** Number of students of the department getting financial assistance from the college The students are getting the scholarship from Govt. through college – 110

# 29. Was any need assessment exercise undertaken before the development of new program(s)? If so, give the methodology. NIL

#### **30.** Does the department obtained feedback from

a) Faculty on curriculum as well as teaching-learning-evaluation? If yes, how does the department utilize it?

Yes, the Department obtains feedback from faculties on curriculum as well as teaching-learning evaluation.

After thorough examination based on feedback on curriculum, modification are carried out in the syllabi at board of studies meeting and is done in consultation with the subject experts usually invited from various universities.

Department also obtain feedback from faculties on teaching- learning evaluation processes. Based on the opinion and suggestions given by the faculties, changes in the teaching methods/ processes are effected for the benefit of the students.

# b) Students on staff, curriculum as well as teaching-learning-evaluation and what is the response of the department to the same?

Yes, the department obtains feedback from students on staff, curriculum and teaching –learning evaluation through questionnaire and by discussion. In accordance with the opinion and concrete suggestion given by students, modification in the syllabi is carried out if necessary. The faculties are also instructed to follow the effective methods of teaching so as to suit the need of the students.

c) Alumni and employers on the programmes and what is the response of the department to the same?

The department also keep in touch with the Alumni and employers and get their opinion on the utility of the programme. Their concrete suggestions are carefully considered and necessary steps take to maximize the applications of the programme which widen its scope as well.

#### 31. List of distinguished alumni of the department .

- 1. M. Muinyappan
- 2. V. Aravind
- 3. A. Arivalagan
- 4. S. Mahesh
- 5. G. Gopi
- 6. V. Ravikumar
- 7. G. Manikandan.

### **32.** Give details of students enrichment programmes (special lectures/workshops/seminars) with external experts

One day Seminar on Recent trends in Biological Science- Participated by students.

#### 33. List the teaching methods adopted by the faculty for different programmes

Lecture method Chalk and Talk Method LCD (AV) Method Field Visit Power Point Presentations Hands on training in Lab

### 34. How does the department ensure that programme objectives are constantly met and learning outcomes monitored?

The department offers self- employment orientation like Apiculture, Vermi-culture, Medicinal Plant Cultivation, Sericulture and Clinical Lab technology in the curriculum. Employment status of outgoing students is monitored. From the observation it has been learnt that many are comfortably placed in various employments.

#### 35. Highlight the participation of students and facility in extension activities

Students participation in NSS, RRC, YRC, Sports, Games, Various Clubs, Consumer Forum, Fine Arts, Performing Arts and population clubs.

#### 36. Give details of "beyond syllabus scholarly activities" of the department.

The department has MICROBIOLOGY ASSOCIATION through which programmes like AIDS awareness, SWOT analysis, goal setting, Self employment, entrepreneurship, and resume writing are done

## **37. State whether the programme/department is accredited/graded by other agencies** – NIL

# **38.** Detail any strength's, Weakness, Opportunities and Challenges (SWOC) of the department.

#### Strengths:

- 1. Qualified staff with SLET and Ph. D
- 2. Well equipped lab with PCR
- 3. Good department library with more than 270 books
- 4. Good Museum with more than 1000 specimens
- 5. Well constructed Vermi-compost pits.

#### Weakness:

- 1. Need four more teaching staff
- 2. Need three lab assistant
- 3. Need four UG & PG lab and class rooms
- 4. Need one seminar hall
- 5. Need one animal room
- 6. Need one well furnished research lab

#### **Opportunities:**

Starting self employment – Orientation courses like Poultry farming, Vermi-composting, Clinical Methodology etc.,

#### Challenges

- 1. Need updates in the field of Cancer biology
- 2. Protein Engineering, Genetic Engineering, Bioinformatics and Nano-technology

#### **39.** Future plans of the department

- 1. To start New courses like Bio technology, Bio chemistry at UG and PG levels.
- 2. To establish contacts with Agro based industries.
- 3. To establish contacts with Veterinarian about to know live stock animals.
- 4. To organize seminars and workshops with distinguished findings.
- 5. To make field visits to places of Zoological Parks and Museums.
- 6. To start Own clinical lab in this department.

### 4. Post Accreditation Initiatives

- 4 Shift II 5 new UG courses.
- ↓ Shift I BA Economics started.
- **4** 7 PG courses started.
- **4** 5 M.Phil courses started.
- ↓ 5 Ph.D courses started.
- ↓ Syllabi has been revised.
- **4** Teaching methodologies have been improved.
- ↓ Number of seats have been increased in the demanded courses
- ↓ LCD facility is extended to arts & science
- **4** Scholarship is extended to various categories
- Smart class room was established
- **Grievance redressal cell was established**
- 4 Digital Library has been introduced
- 4 CLP programme has been implemented
- ↓ Language Lab has been established
- Career Guidance Cell Placement was established
- **4** Research publications have been increased
- 4 Paper presentations and participation have been considerably on the rise
- **4** Book publications on the rise
- ↓ Establishment of IQAC
- Formation new clubs
- **4** Reformation of PTA
- Reformation of OSA
- ↓ R.O system for Students & Staff
- **4** Canteen formed
- Wumber of seminars and workshop have been increased
- **4** Minor and major projects are undertaken
- ↓ Data cards given to all Departments
- Extension programmes are regulated and modernized
- Question bank was created for practical examinations
- Non major electives are offered
- 4 Infrastructure has been enhanced

- ↓ Departmental libraries are strengthened
- **Well Equipped Gym for students**
- **4** Educational trips are arranged
- 4 Awards and medals in sports
- **4** Trophies in cultural events
- **4** Emphasizing quality education
- **4** Coaching classes for NET/SET and other competitive examinations
- **4** Examination reforms
